

PUBLIC ANXIOUSLY
AWAITING ACTION BY
BOARD OF COMMERCEW. F. O'Connor, K.C., Vice-
Chairman, Will Confer
With U. S. Officials.

[Special to The Advertiser.]
Ottawa, Aug. 19.—W. F. O'Connor, K. C., vice-chairman of the board of commerce, will leave this week for Washington, where he will confer with the federal trade commission, and secure knowledge of the methods of procedure of that body, whose functions are supposed to be somewhat similar to those of the new created Canadian board. Mr. O'Connor will be absent for a few days.
In the meantime Ottawa is awaiting with deep interest developments from the commerce board. Dr. McFall, cost of living commissioner in succession to C. O'Connor, has been making public

certain strong allegations regarding price enhancement, and it would appear that his charges merit investigation. But Dr. McFall is no longer cost of living commissioner, for that position is absorbed into the board of commerce, and Dr. McFall is now simply

an official of the statistics branch. The questionnaire system, by which dealers in coal, flour, produce, etc., have been compelled to supply periodical statements, is being continued under the board.
The board, so far, has no board room, and its policy of procedure has not yet apparently been laid down.
Investigation may be concentrated on particular commodities, rather than on the particular firms handling them.
The actions of the new board are being awaited with deep interest and some concern, but in the meantime it is marking time.

**For Skin Made Flabby
and Wrinkled By Heat.**

Sun, winds and flying dust often cause squinting and other contortions which make wrinkles. You can quickly get rid of every line, however caused, by using a harmless wash lotion made by dissolving an ounce of powdered saxolite in a half-pint of witch hazel. The ingredients can, of course, be had at any drug store.
When depressed by the heat and you want to freshen up quickly for the afternoon or evening, bathe the face for a few moments in the saxolite lotion. You'll find this more refreshing than an hour's rest. It is fine for overcoming that appearance of flabbiness so common in hot weather.—Adv.

Record Breaking Values Dollar Day

"DOLLAR DAY" WILL SAVE YOU DOLLARS

Today I just want to draw your attention to the facts in connection with a few of our bargains. For instance, C. & B. Floor Wax is always sold at 65c lb.—Thursday, 47c. Aleo-Wax or Canned Heat we are offering at 10c can, our cost price today is 10 1/2c. Screen Doors are clearing at \$1.98 complete. These cost us \$2.75 in the regular way, but by taking all the factory had we obtained a sub-

stantial reduction. We are clearing all our stock of Sherwin-Williams' Family Paint at pretty near one-half the regular price and 25 per cent below the present cost.

You should certainly fill up to capacity on Electric Light Lamps, as these are "Mazda" Quality and the best we can buy. Remember also that we haven't the space to advertise one-half

the big, juicy bargains we have for you, you'll have to see our windows and our sales tables to realize what a real hardware firm can do for you when they try. In addition, we intend to donate a case of Pearl Handled Fish Carvers to the lucky person if they find Miss Dollar in our store.
