One thousand or more Odd Fellows, more than half of them in uniformed ranks of the Patriarch Militant. marched in the big parade from convention headquarters, Masonic Temple, to Queen's Park this afternoon, where completion of the drill competitions was held and a general program of entertainment provided.

In the leading section of the procession came the Michigan cantons of the Patriarchs Militant, Canton Enterprise and other Detroit cantons turning out very large ranks, which attracted highly favorable comment from the excellent marching and drill movements executed along the route of march, Queen's avenue to Richmond, to Dundas to the park and also on account of the beautiful regimental flags which two of the Michigan cantons carried at their head.

The procession was led by Sergt. McDonald's Highland Pipers, the G. W. V. A. Band and the Henderson Juvenile Pipers Band playing at later points in the order of line-up.
