Donau and Sure Get of the Gerst stable were most fancied, with Flying Squirrel and MacManus' pair. Rocky O'Brien and Medallion, next in demand. Catcher Nec'sham Goes to Chicago.

MEMPHIS, Tenn., March 27.—Fred W.
Leise, drafted by the Chicago National
Club from the Madison Club of the Wisconsin League, has been traded to the
St. Paul Club of the American Association
for Tom Needram, catcher, formerly of
New York and Boston. Chicago gave a
cash consideration with Leise. This trade
is taken to mean that Manager Chance of
Chicago has decided to let his famous
lackstop, John Kling, stay away if he
wishes to, and also that all negotiations
for the return of "Doc." Marshall from
the Brooklyn Club, will be called off, as
Needham will give the champions their
third experienced catcher.

A review of 'the year's work in aquatic and land sports shows the Parkdale paddlers well to the fore in whatever nature of sport they entered. Not only did Frank Longstaff and his war canoe crew show indomitable pluck and endurance, which won for them the half mile and mile Dominion war canoe championship, as well as the Shea trophy, which carries with it the half mile championship of Toronto Bay, but the splendid aggregation of Rugby players kept the club escutcheon bright and brooght to Toronto the Canadian junior Rugby football championship.
