The Sale That Will **Be Historical**

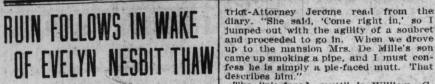

> THIS Stock-taking Sale of ours comes very close to being a display of reckless business methods.

But the truth is we simply must unload before stock-taking time. It's a case of "do it now," and the prices we're selling the goods at will explain the

methods we are adopting to make the sale a success.

There are over one hundred thousand dollars' worth of fur garments that must be sold.

Reeve.

ten across the voluntary petition in bankruptcy filed in the United States Circuit Court yesterday by Mrs. Mathilda Beatrice De Mille.

Evelyn Nesbit Thaw of the saint-like Evelyn Nesot Thaw of the Same me face, the chief figure in the Thaw trag-edy, is the blight that has, after a two-year struggle, forced the widow of the brilliant collaborator of Belasco two decades ago, and the mother of two de-cades ago, and the mother of two suc-cessful playwrights of to-day, to plead hefore a court of law to be released from the obligation of her debts, that she may

rake a fresh effort. For it was the story of Evelyn Nesbi Thaw, as it was the story of Everyli Acsort Thaw, as it was heard from her own lips on the witness stand during the trial of Harry K. Thaw last February, that brought notoriety to the fashionable school at Pompton Lake, N.J., in which Evelyn Thaw, in six months at the school, undid by presence, the work Mrs. De Mille had accomplished in several Mrs. De Mille, the woman of brains and breeding, sought to rehabilitate the for-tune crippled by the unexpected death of years.

SHEPPARD IN THE FIELD. her husband Yesterday's action was the clinax of a string of circumstances that have fol-lowed in logical sequence-the quaint story by Evelyn of the life of a chorus

girl, among the tender daughters of fash-ionable families, at the Pompton Lake School; the shock to the fashionable cliencontrol. tele of the school, when they learned that their daughters had the artist model as a companion for many months; the vacant school rooms and dormitories where before they had been filled.

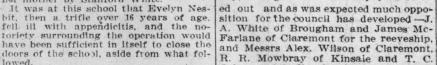

Mrs. De Mille Gives Up Struggle. Three months after the ending of so well. first Thaw trial, Mrs. De Mille closed her school. She saw that the struggle against the notoriety gained thru the Thaw trial would be in vain.

Mrs. De Mille attempted again to win back fortune by coming to this city and starting a play brokerage business, with offices in the Astor Theatre Building is in these offices that she has been iling for many months, striving in vair against competition, as the expected climax came yesterday in the two lines court calendar-the petition of a bankrupt Successful at Start.

Mrs. De Mille called her school the amilico. She spent \$60,000 in refitting the pretty villa by the lake, and well known among the fashionable set herself, she had little difficulty in filling her class rooms with young girls of the best Stanford White selected this scho

as the one in which Evelyn Nesbit should be educated. She was sent there in com-pany with her mother: Her past, that of chorus girl and artist's model, was sealed. She was warned that she was playing a part and that for the sake of

her career, her analytical for the sake of tress, she must play the part perfectly. Her expenses were paid estensibly by her mother. Evely dollar was paid thru har mother by Stanford White. day, a large crowd of ratepayers turn-

Osborne of Audley for the deputy-reeve Evelyn kept a diary while she was at ship, while the following are candidates this fashionable school. It was there she wrote of the "little white bed, the virtuous white bed," where cynically she this fash sketched her life as a nun. "These girls Nave been kept from the world all their lives and they know very liftle of the mean side of if." "I wonder how far it is from Rector's." "Were among other NICOLET RETURNS T
