Queen's Scored First, But McGill Won, Three to One

Montreal, Jan. 25.—McGill defeated Queen's by a score of three to one Saturday night at the Mount Royal Arena, in the first intercollegiate match here of the season. The game was opened with a Queen's rush from centre ice and Ferguson caught the puck in one corner of the rink and slipped the rubber past Clarke before the players had warmed up to their work. Flushed with their early success, the McGill team settled down to their work and kept them out for the remainder of the game.

Teddy Behan, a lawyer for a rush with two of the forwards and on a long shot managed to find the net. From that point on the McGill men had little or no trouble in holding their opponents in check. The game was fast and several sensational saves to his credit, and it was his work that prevented the McGill boys from getting a good hold on the game. Queen's shooting on the other hand, was true, but their shots for the most part were long and easy.

There was a slight turn of luck in the first period when a high shot struck the upper corner of the McGill net and the goal umpire raised his arm, calling it a goal. It was clearly not a point, however, and the referee reversed the decision and another goal umpire was placed on the case. The play was fast and marked by close checking, but at no time was the hockey displayed of a rough variety. The referee was strict and several penalties were handed out.

VARSITY SWIMMERS CLEAN UP AT WEST END Y.M.C.A. MEET

Winning Four Out of the Five Races From All-Corners and Defeating the Home Team at Water Polo Three to One.

A few more such swimming meets, like the one held last night at the West End Y.M.C.A., will bring this sport to a place where the public will be clamoring for tickets. Most of the fastest swimmers in the city participated, and the meet was conducted in a most efficient manner. The large number of entries made it necessary to have heats in most of the events, in the longer races the swimmers went against time for places.

The 200 yards speed race started the sport of the evening and the capacity house from the commercial building was packed. The judges knew that this was going to be a close finish, prepared by getting down on their knees. Five heats were necessary to decide the winner, who would go into the final.

Heats: 1. Lowmes of Central, Coles of West End, Time 2:5 sec. 2. Harston of Varsity, James of West End, Time 10 sec.

3. Halley of West End, Bennett of Varsity, Time 10 sec. 4. Lindsay of Central, Hedges of West End, Time 10 sec.

5. Hendry of West End, Shuter of Central, Time 10 sec. The 40 yards Sailing Cup race to the touch of the end of the tank the swimmers were going as one, only inches seemed to pick out the winner. The judges knew that this was going to be a close finish, prepared by getting down on their knees.

The long look-out water polo match between Varsity and West End gave great satisfaction to the Varsity rowers, and left the West Enders with a feeling that they would like another match, for they feel that with a little more training they will be able to turn the tables. The match was, no doubt, the fastest seen in the city in many a day, and the continuation play would do credit to any championship team. If the Varsity players perform as they did last night they will, no doubt, be the champions.

Officials: Judges of race—Winterburn of Varsity, God and Kennedy of West End. Timekeepers—Young and Barlow of Central, Nichol of Broadview, Divins of Central, H. H. Denvers, Toronto Swimming Club—Winterburn, Varsity, and Kennedy, West End. Director of meet—J. Walker, West End.
