

MISSION BOXES.

Boxes for distribution in the houses of the people, both for Home, and Domestic and Foreign Missions, are to be had, free of charge, from the Secretary, Diocesan Rooms, Church Institute Building, Barrington Street, Halifax, to whom application should be made. The Clergy are requested not to order more than they exactly require.

The usual Digest of Letters is omitted this year. The number of reports forwarded to the Secretary is so small that it seemed to be hardly worth while to print them. It is worthy of consideration whether the Board of Home Missions should not require a short Annual Report on purpose for publication.
