

DEREHAM WINS \$5,000 PRIZE IN CHANNEL SWIM

Was First British Subject to
Beat Gertrude Ederle's
Time for Feat

DOVER, Eng., Sept. 17.—Norman Leslie Dereham, of South End, England, today finished a swim across the English Channel from Cape Gris Nez, France. Dereham made the swim in 18 hours, 58 minutes. He left Cape Gris Nez at 9 o'clock last night and landed in St. Margarets Bay this morning at 10.56 o'clock.

The record for the swim is 11 hours five minutes made by the French swimmer, Georges Michel, on September 10.

WINS \$5,000 PRIZE.

By his performance Dereham wins the prize of \$5,000 offered by the News of the World for the first British swimmer to beat Gertrude Ederle's time of 14 hours, 38 minutes. Dereham used the breast stroke most of the way, but changed to the back stroke toward the end. He was given a rousing reception by a crowd which watched his approach to the English shore. After walking up the beach, he sat down and smoked a cigarette, later going to a hotel for a rest.

It was his third attempt this season. His second, a few weeks ago, was abandoned when a dense fog descended after he had come within two miles of Dover.

Dereham is the fifth person to swim the channel during the present season. The others who have made the swim are Gertrude Ederle, New York girl who set a new record, Mrs. Milla Gude Cerson, of New York, Ernest Vierkoster, German, who out Miss Ederle's figure, and George Michel, who lowered the record of both Miss Ederle and Vierkoster.

JANE DARWIN BEATEN

DOVER, Sept. 17.—"Jane Darwin," the mystery girl of England, has again failed to swim the English Channel. Miss Darwin started from Cape Gris Nez, France, at 2.30 o'clock yesterday afternoon and abandoned the swim at 1.30 o'clock this morning, having been in the water for thirteen hours. She gave up owing to bad weather. In her previous effort Miss Darwin

On September 8, started from Cape Gris Nez and was about half way across the channel when the sea became rough under a southwest wind and she was forced to give up. At this time, she was 8 1/2 hours in the water.

FOG STOPS HER

When Miss Darwin left Cape Gris Nez yesterday afternoon, weather and water conditions were favorable. At 8 o'clock in the evening she was going strong nine miles out from Cape Gris Nez and heading straight for South Foreland on the English shore. Early this morning, however, a dense fog over spread the channel and Miss Darwin abandoned the swim. She was then about four and one-half miles from the English coast.

WOMEN TELL ONE ANOTHER

In the privacy of their homes, at afternoon teas, and wherever women congregate, and the subject of health is discussed, it is a most common occurrence for one woman to tell another of the benefits she has derived from Lydia E. Pinkham's Vegetable Compound. For over fifty years this famous root and herb medicine has been restoring sick and ailing women to health. This accounts for its marvelous success. If sick and ailing, why don't you try it?

KEARNS NOW TRIES TO BLOCK BOUT

Says Boxers Plan to Send
Money Out of State so it
Cannot be Forfeited

PHILADELPHIA, Sept. 17.—Jack Kearns, former manager of Jack Dempsey, has entered the list of those attempting to throw legal barriers in the way of the championship battle at the Seagull-Centennial stadium next Thursday night, when Dempsey is scheduled to defend his title against Gene Tunney.

In the latest move, Tex Rickard, promoter of the big bout, was summoned to appear in Common Pleas Court here to answer allegations that he intends paying Dempsey and Tunney their guarantees before the fight, in violation of the law creating the Pennsylvania Athletic Commission. The suit was filed by Sol. Whittenburg, described as "taxpayer and ticket holder," but counsel for the plaintiff announced that Kearns was his "major client in interest."

He alleges that Dempsey and Tunney are planning to draw their money in advance and send it to another state so that it cannot be forfeited, and asks that Rickard be restrained from paying them before the fight.

Discussing the taxpayer's suit, Mr. Rickard said he did not see where he "is in at all," and that he did not believe it was aimed at him.

"The whole complaint is absurd," he added, "I'm not such a sucker that I would pay either Tunney or Dempsey before they fought. Suppose something should happen to either of them and the fight be called off, where would my money be then?"

STEEL TRUST AGAIN SOUGHT FOR EUROPE

PARIS, Sept. 16.—German, French, Belgian and Luxembourg delegates will meet again tomorrow in an endeavor to organize the European Steel Trust which failed to materialize at last month's conference because the Belgians were unsatisfied with the quota of 11.63 per cent production allotted to them.

The Belgian steel makers, who have since been debating the question among themselves, are understood to have agreed upon a proposed compromise. When they meet the other delegates here tomorrow they will ask for a slight increase in the percentage. If not too important, it will probably be granted, thus permitting organization of the trust.
