IN MORNING NOW

Dartmouth Man Says He
Found Relief After Years
of Suffering by Taking
Tanlac.

"For four long years I suffered from the worst kind of stomach trouble, but thanks to Tanlac I am now a well man and can enjoy three good square meals a day," said Robert Langille, who lives at Tulip street, Dartmouth (N. S.).

"Thank goodness I have found relief at last," continued Mr. Langille, "for I don't believe I could have endured my suffering much longer. Why, I couldn't eat a thing but what would sour and ferment on my stomach and I would bloat up with gas until I thought I would suffocate. This trouble was especially bad at night and often I had to get up and walk the floor for hours before I could get relief. I lost all desire for food and in fact was really afraid to eat because of what I knew I would suffer afterwards. I was always having to take something for constipation, and had dull throbbing headaches that almost drove me distracted. For hours at night I would roll and toss from one side of the bed to the other, and when I got up in the morning I just felt all in and unfit for my day's work. None of the medicine that I tried did me any good, and I was just on the point of giving up altogether when I got Tanlac.

"I never would have believed that any medicine could do what Tanlac has done for me, in so short a time. Why today, after taking only a few bottles, all my ailments have disappeared and I am feeling as well as I ever did in my life. My appetite is splendid and I can eat things that I haven't dared touch for years, and never suffer the least bit from sourness, gas or indigestion. I feel you, it's a great treat to be able to sit down and enjoy a good square meal without the dread of suffering afterwards. I am no longer bothered with constipation or headaches and I sleep so well at night that I get up in the mornings feeling just fine. I don't hesitate to recommend Tanlac to all who may be suffering as I did, for I firmly believe it is the best medicine ever put into a bottle."

Tanlac is sold in St. John by the Ross Drug Company and F. W. Munro; by G. W. McKay, Beaver Harbor; Willard J. Colwell, Evans; C. V. Parsons, Highland; John P. Meagher, Debec; O. D. Hanson, Lepreau; E. L. Conley, Leonardville; N. H. Johnson, Clarendon Station, and by the leading druggists in every town.—(Adv.)

PROCEEDINGS IN
DIVORCE COURT

(Special to Times.)
Fredericton, July 7.—The case of James Hilday Carson vs. Ernestine M. Carson was completed in the divorce court yesterday afternoon. The plaintiff finished his testimony and Mrs. Margaret Carson was recalled. The court ordered a decree of absolute divorce. J. King Kelley appeared for the plaintiff.

On the motion of R. L. Simms the case of Faulkner vs. Faulkner stands until the next term, the libel to be amended and re-served in the meantime. The case stands as a remand.

In Lena Wilson vs. Thomas Wilson, the plaintiff and Eva Day were heard as witnesses. Pictures and a letter were filed. The court considers. Scott E. Morrill was proctor in this case in which bigamy is alleged on the part of the defendant who, it was said, was married to the plaintiff, Lena Phillips, in Halifax by Archdeacon Armitage. Gene Tait of St. John was mentioned as co-respondent.

Clifford C. Gideon Steeves vs. Elsie Steeves stands as a remand.

In Archibald Parker vs. Kathleen M. Parker, the parties in which belong to St. John, the defendant formerly being named Raymond G. Earle Logan was proctor. Witnesses heard were R. W. L. Tibbitts, Edward Logie, M. D., and Archibald Parker, the plaintiff. A decree of absolute divorce was ordered to issue.

The parties in this suit were united in marriage by Rev. L. J. Deinstadt on July 16, 1914. In March, 1915, the plaintiff enlisted in Digby, N. S., with the 40th Battalion, with which he went overseas in the following March. He was transferred to the 26th Battalion, with which he served in France and later to the 26th Battalion, with which he returned to Canada in May, 1919. It was alleged that a bigamous marriage was contracted by the defendant with Alexander Cleveland Rothburn of Hampstead on Oct. 22, 1918. On May 8 she was arrested on bigamy charge and convicted in St. John but allowed liberty on suspended sentence.

In Thomas C. Whitenet vs. Matilda Whitenet, G. Earle Logan appeared. The parties were married in Campbellton on July 29, 1911, by Rev. Thomas P. Drummond. 4087 THE PHARMACEUTICAL

GAS IN THE STOMACH
IS DANGEROUS

Recommends Daily Use of Magnesia to Overcome Trouble. Caused by Fermenting Food and Acid Indigestion.

Gas and wind in the stomach accompanied by that full, bloated feeling after eating are almost certain evidence of the presence of excessive hydrochloric acid in the stomach, creating so-called "acid indigestion."

Acid stomachs are dangerous because too much acid irritates the delicate lining of the stomach, often leading to gastritis accompanied by serious stomach ulcers, Food ferments and sours, creating the distressing gas which distends the stomach and hampers the normal functions of the vital internal organs, often affecting the heart.

It is the worst of folly to neglect such a serious condition or to treat with ordinary digestive aids which have no neutralizing effect on the stomach acids. Instead get from any druggist a few ounces of Bismarck Magnesia and take a teaspoonful in a quarter glass of water right after eating. This will drive the gas, wind and bloated right out of the body, sweeten the stomach, neutralize the excess acid and prevent its formation and there is no sourness or pain. Bismarck Magnesia (in powder or tablet form—never liquid or milk) is harmless to the stomach, inexpensive to take and the best form of magnesia for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion.

The first flying hearse built in the United States will be exhibited at the Undertakers' convention at Atlantic City. A funeral passenger plane with accommodations for fifteen persons is also being built.

To Have Perfect Skin
Throughout the Summer

This is the season when she who would have a lily-white complexion should turn her thoughts to mercurized wax, the firm friend of the summer girl. Nothing so effectively overcomes the soiling effects of sun, wind, dust and dirt. The wax literally absorbs the scorched, discolored, withered or coarsened skin, bringing forth a brand new skin, clear, soft and girlishly beautiful. It also unclogs the pores, removing blackheads and increasing the skin's breathing capacity.

An ounce of mercurized wax, obtainable at any drug store, applied nightly like cold cream, and washed off mornings, will gradually improve even the worst complexion. There is nothing better for the removal of tan, freckles or blotches.

"PEACHES" DELAY CAPONIA

Consignment of Five Holds Up Ship While Telling Fay Evelyn Good-bye.

(New York Times.)

The Caponia was scheduled to sail at noon yesterday, but did not leave her pier until many minutes later. There were six reasons for the delay, the chief one being Miss Fay Evelyn, a member of the Florodora sextette, who was a passenger. Just before 2 o'clock the five other reasons who had gotten up "early" to see their friend off came trooping up the gang plank.

The movie men cranked out yards of film and the photographers used up all

their plates. Then the girls had to go to Fay's room to see all the flowers that had been sent to the boat. And there were so many things to be said. Who heard the cry, "All ashore?"

Mr. Nicholson, the affable steward, hinted that it was time to go ashore, but they didn't hear him. Finally he led the flock to the gangplank, whence, five more survivors, the five remaining members of the sextette sped on their way of play a matinee. The delay didn't bother the passengers in the least, for the girls admittedly are easy to look at.

Curtis Patterson, publicity representative of the Cunard Line, asked why the Caponia did not leave at noon, gravely declared that a consignment of peaches had arrived at the last moment.

SUFFERING OF YOUNG WOMEN

This Letter Tells How It May be Overcome—All Mothers Interested.

Toronto, Ont.—"I have suffered since I was a school girl with pain in my left side and with cramps, growing worse each year until I was all run down. I am a children's nurse, and I was so bad at times that I was unfit for work. I tried several doctors and patent medicines, but was only relieved for a short time. Some of the doctors wanted to perform an operation, but my father objected. Finally I learned through my mother of Lydia E. Pinkham's Vegetable Compound, and how thankful I am that I tried it. I am relieved from pain and cramps, and feel as if it has saved my life. You may use my letter to help other women, as I am only too glad to recommend the medicine."—JAN KAY, 42 Blenheim Ave., Toronto, Ont.

Girls who are troubled as Miss Kent was should immediately seek restoration to health by taking Lydia E. Pinkham's Vegetable Compound.

Those who need special advice may write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. These letters will be opened, read and answered by a woman and held in strict confidence.

ONLY TABLETS MARKED
"BAYER" ARE ASPIRIN

Not Aspirin at All without the "Bayer Cross"

The name "Bayer" stamped on tablets positively identifies the only genuine Aspirin—the Aspirin prescribed by physicians for over nineteen years and now made in Canada.

Always buy an unbroken package of "Bayer Tablets of Aspirin" which also sell larger "Bayer" packages.

There is only one Aspirin—"Bayer"—You must say "Bayer".
