### REVIEW OF WEEK IN MAJOR LEAGUES

Close Races for Leadership—Some Outstanding Features of the Games.

New York, May 10—Close races for the leadership of the two major baseball leagues marked the termination yesterday of the first sectional series. This week the eastern teams of the National League will play in the west, while the American League western clubs will come east.

The onward rush of the Boston Nationals, combined with the setbacks received by Cincinnati, Brooklyn and Philadelphia, the early pace-setters, put the Braves in first place.

The Chicago Americans also fell back and Cleveland, which ousted the White Sox from first place, will engage Boston this week in a four game series with the honor position at stake. The Red Sox

led the league for a few days. In the National League Boston followed up its twenty-six-inning record-breaking game of the previous week with a nineteen-inning victory over Brooklyn on last Monday and an eleven-inning score over Philadelphia on Wednesday. The Braves won their sixth straight game yesterday. Cincinnati fielded poorly and in three contests was unable to score. The Reds lost a game to Pittsburgh, two out of three with Chicago, but won the rubber game yesterday with St. Louis.

Brooklyn, which engaged in five extra inning games in the last seven contests, including yesterday's overtime victory over Philadelphia, played a total of ninety-eight innings in all the games. Chicago yesterday captured the deciding contest of a five game series with Pittsburgh. Chicago and New York each had its first winning week of the season. In the American League Cleveland was defeated on Monday by Detroit, which had lost sixteen straight games since the start of the season. The Indians lost to the Tigers again on Tuesday, but took four of five from Chicago, including yesterday's game, which marked Cleveland's seventh straight victory. The Boston Americans broke even last week, losing two out of three to New York and reversing the result with Philadelphia. Washington climbed up the league ladder

der by outplaying Philadelphia and New York. St. Louis amassed a total of eighty hits, a record for the week, but was successful only three times in seven chances. The Browns took the rubber game yesterday from Detroit.

#### "Charm" for Lovers.

London, Eng., May 10—A belief in "charms" still exists in Peakland. In the chimneys of an old cottage was recently found a dried pig's heart stuck full of thorns, a relic of the belief that if a fitted lover stuck pins or thorns into a pig's heart he would cause much pain to his faithless sweetheart.

#### WATCH YOUR GUMS—BLEEDING A SIGN OF TROUBLE

Medical science knows how serious is the sign of bleeding gums. For it knows that tender and bleeding gums are the forerunners of Pyorrhea, that dread disease which afflicts four out of five people over forty.

If the disease is unchecked, the gumline recedes, the teeth decay, loosen and fall out, or must be extracted to rid the system of the Pyorrhea poisons generated at their base—poisons which seep into the system and wreck the health. They cause rheumatism, nervous disorders, anæmia, and many other ills.

To avoid Pyorrhea, visit your dentist often for tooth and gum inspection, and use Forhan's For the Gums. Forhan's For the Gums will prevent Pyorrhea or check its progress, if used in time and used consistently. Ordinary dentifrices cannot do this. Forhan's keeps the gums firm and healthy—the teeth white and clean. Start using it today. If gum-irritation has already set in, use Forhan's according to directions and consult your dentist immediately for special treatment.
