

Royal Family of Italy Which May Be Brought Into Europe's War

Italian King, Queen and their children. Reading from left to right, Princess Matilda, Queen Helena, King Victor Emmanuel, and, at bottom, Princess Giovanna, and Crown Prince Umberto.

ST. JOHN PEOPLE IN THE OLD COUNTRY AND ON THE CONTINENT

Mr. and Mrs. Joseph A. Lively, their daughter, Miss Jessie and their son Dr. D. S. Lively of New York, who have been traveling in Great Britain and Ireland, expect to sail for Montreal on Aug. 20.

Thomas Bell has received a letter from his daughter, who has been delayed in England owing to the disorganization of the steamer services. When she writes Miss Bell was in Cornwall and saw little prospect of getting home but, as conditions have improved since then, she may be able to secure passage earlier than she had expected.

No word has been received from Miss Hegan, daughter of Mr. and Mrs. Geo. S. Hegan of Hasen street, since her cable at the first of the month when war was declared. At that time she was in Germany and her friends are, naturally, somewhat anxious about her.

Miss Dick, daughter of Mr. and Mrs. George Dick of this city, is expected to arrive in Montreal today from England and will likely be the first person from St. John to return from Europe since the outbreak of the war.

HAS RECOVERED.

Friends of Mrs. Collins, wife of John Collins, of the I. C. R., will be pleased to learn that she is almost entirely recovered from the effects of the injuries she received several weeks ago while stopping a runaway. Mrs. Collins is now at home looking after her household duties.

A GREAT SUCCESS.

S. Cecil Irvine wired a friend in St. John today as follows, from Ottawa: "Princess Patricia's Canadian Light Infantry is an immense success. Unable to accept any more, but hope if necessary to raise two or ten more battalions. Every officer and man a soldier—in fact a very Legion of Honor." Page 10.

To Wed This Week.

The marriage of Miss Mildred Walker, daughter of Mr. and Mrs. Joseph Walker, of Fredericton, to Robert S. Machum, of St. John, is arranged to take place at the home of the bride's parents on Wednesday afternoon, August 19th, at four o'clock.

MOUNT PLEASANT OFFER NOW AS SITE FOR THE TUBERCULOSIS HOSPITAL

A new proposal for the county tuberculosis hospital has been made and is receiving some consideration from the hospital commissioners. Plans for the erection of the building in East St. John have been delayed owing to the lack of a water supply.

A communication was addressed to the common council about a month ago asking for terms on which connection with the city's water supply could be made but so far no further action has been taken. In the meantime contracts for the construction of the hospital have not been signed and will not be signed until this matter is settled one way or the other.

While the project has been held up an offer of another property for use as a hospital has been received. This property is located on Mount Pleasant, has ample grounds, a commodious building and is said to be well suited for the purpose.

A SALUTARY LESSON.

Two men and four boys in Fredericton, charged with making insulting remarks to soldiers who have volunteered for foreign service have been arrested and fined, and Magistrate Limerick says the next offender will get a much heavier penalty.

ADOGRAM No. 5

The man who is always cheerfully willing to "make good" seldom has to.

The merchant who has built up the reputation of his establishment through advertising is usually eager to refund the money if the purchase is not satisfactory. There is security to the purchaser in dealing with the men who advertise.

But merchants of this kind are seldom called upon to do any refunding—because they watch closely goods and service.

CHARGED WITH RESISTING POLICE

Joseph Dickson Sent to Jail For Ten Months — Other Cases Dealt With This Morning

Joseph Dickson pleaded guilty in the police court this morning to being drunk in Harrigan's alley at noon on Saturday. He was also charged with resisting Deputy Chief Jenkins, but said he did not remember it. Captain Jenkins said that he was called in to eject Dickson and was assisted by the colored folk in getting him into Brunswick street, while a man drunk in Pond street, was fined \$8 or two months in jail. Asked where he got his liquor, he said he did not buy it, but some fellows had some rum and gave him some.

William Hunter charged with stealing a watch from Edward LeBlanc in King Square on Saturday, was remanded for preliminary examination on the charge of robbery, for which the magistrate said he was liable to seven years in Dorchester. LeBlanc also was arrested charged with drunkenness. He pleaded not guilty, but later admitted that he was not very drunk. He was sentenced to \$8 or two months in jail.

LeBlanc gave evidence against Hunter and the latter was committed for trial.

RICH PRIZE TAKEN BY THE BRITISH

German Steamship With Valuable Cargo For Boston Seized at Gibraltar

Boston, Aug. 17.—The Hansa Line steamship Schnerfels, bound from Calcutta and Colombo for Boston, with a cargo of tea, gunnies and other merchandise, valued at over \$1,000,000, has been seized by the British at Gibraltar. Vague rumors of the seizure of the rich prize were received here yesterday, and the confirmation came today.

The Schnerfels, a brand-new freighter on her first trip across the Atlantic, left Calcutta July 3, and Colombo July 18, for this port. She was last reported passing through the Suez Canal, July 23, and the consignees of the cargo and the underwriters had hoped that she had eluded the British warships and passed out of the Mediterranean in safety. It appears she was captured by the British war vessels on August 6, and was taken to Gibraltar, where she arrived the same day.

The steamship and her cargo constitute one of the most valuable prizes yet taken by the British. The underwriters, both in this country and abroad, will be hit hard by the seizure of the freighter.

I. O. G. T. GRAND LODGE
The New Brunswick Grand Lodge, Independent Order of Good Templars, will meet in the city tomorrow and delegates from all over the province, numbering about fifty people, will be in attendance. The meeting will open in Clayton's Hall, Waterloo street at nine o'clock tomorrow morning and will continue all day and probably Wednesday forenoon. On Tuesday evening a public meeting will be held in Temple Hall, Main street. The local grand lodge officers are E. N. Stockwell, Grand Chief Templar and W. N. White, Grand Marshal.

THEIR DAUGHTER DEAD
Mr. and Mrs. Walter Shepherd, 370 Haymarket Square, will have the true sympathy of their friends in the loss of their only child, Lillian, aged fifteen years. The young girl who had been ill for the last six months, became worse yesterday and died at four o'clock this morning. The funeral will take place on Tuesday afternoon at Fernhill, service at the house commencing at 2.30 o'clock.

BULLET PASSES THROUGH CAR

Passengers on Ocean Limited Near Bathurst Have Close Call—Not Known Where it Came From

While speeding at the rate of more than forty miles an hour between Dalhousie Junction and Bathurst about eleven o'clock yesterday morning, the Ocean Limited, bound east, was struck by a bullet which entered a window of the second class car from the left side of the track and, whizzing past a passenger on the engine driver's side of the car, pierced the window a few inches from his face, entering the woods again.

Naturally, the man who had been sitting quietly in his seat was greatly agitated on hearing the bullet whiz past his head and on being showered by pieces of glass. The bullet must have been a very large one as it made a hole in each window nearly half an inch in diameter. Although it made a clean hole, it caused one of the panes of glass to crack in all directions. Where the bullet came from is a mystery. The train was passing through a stretch of wooded country at the time and it was thought useless to stop the train. It is thought by some that the bullet might have been aimed at the engine driver and that the man with the rifle or revolver did not allow for the speed with which the train was moving. It is said by others, however, that residents of that district do a great deal of shooting in the woods on Sunday and that it might have been a stray bullet which passed through the car. Wherever the bullet came from the passengers on the car are thankful that they did not happen to be passing the window at the time.

Moncton, Aug. 17.—E. C. R. police are probing the smashing of windows on the Ocean Limited, northbound, at Nash's Creek on Sunday afternoon. A bullet went through two windows of the second class car and some passengers had narrow escapes. Railway men are inclined to the view that the bullet was fired by someone shooting at game.

RECOGNITION OF THE VALOR OF ST. JOHN'S VOLUNTEERS TO WAR

Meeting Being Held This Afternoon to Discuss Matter—A Suggestion From J. A. Pugsley

Great interest is being shown in the public meeting called by Major Frink for the purpose of considering plans for the recognition of the valor of the men who have volunteered for service at the front. The meeting will be held at 4.30 this afternoon, in the Imperial Theatre and is open to all citizens.

In response to his request the mayor has already received a large number of suggestions which will be submitted to the meeting this afternoon for consideration.

Among the offers which have been received is the following communication: "St. John, N. B., Aug. 17-14. To His Worship Mayor Frink City of Saint John.

Dear Sir—I note by this morning's papers that you are open to suggestions as to the best means of entertaining those who have so bravely offered their services in defense of the Empire.

It would seem to me that one of the most delightful ways in which to entertain the volunteers and the large number of citizens who would naturally desire to be present, would be to hold a garden party, with light refreshments and music.

For this purpose I am pleased to offer the Glen Falls property at Coldbrook and, as my share, a special train and the services of the regimental band of the 62nd Regiment Saint John Fusiliers.

In addition to music and refreshments could be arranged with the co-operation of the various athletic associations.

Assuring you that it would give me a great deal of pleasure should you decide to accept the above suggestion, I beg to remain,

Yours very truly,
(Sgd) JOHN A. PUGSLEY.
