A SIMPLE WAY TO REMOVE DANDRUFF
Prevent Falling Hair and End Itching Scalp
There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need) apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips. By morning, most if not all, of your dandruff will be gone, after three or four more applications will completely dissolve, and entirely destroy, every single sign and trace of it, no matter how much dandruff you may have. You will find all itching and digging of the scalp will stop instantly and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better. If you value your hair, you should get rid of dandruff at once, for nothing destroys the hair so quickly. It not only starves the hair, but makes it fall out, but it makes it stringy, straggly, dull, dry, brittle and lifeless, and every-body notices it. The Furness lines Kanawha, Shenandoah and Rappahannock have been taken over by the Imperial authorities. The steamer Starpoint, due to leave Philadelphia today, will replace the Shenandoah and arrangements will be made to provide steamers for the other sailings scheduled. The R. M. S. P. Chaleur reached port last night from the West Indies.

SAGE TEA TURNS GRAY HAIR DARK
It's Grandmother's Recipe to Bring Back Color and Lustre to Hair
That beautiful even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray, streaked and looks dry, wispy and straggly, just an application or two of Sage and Sulphur restores its appearance a hundredfold. Don't bother to prepare the tonic; you can get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound" ready to use. This can be depended upon to bring back the natural color, thickness and lustre of your hair and remove dandruff, stop itching and falling out. Everybody uses "Wyeth's Sage and Sulphur" because it dardens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by moving the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy, lustrous and abundant.

Canadian West India Trade.
Halifax, N. S., Nov. 18.—The trade between Canada and the British West Indies continues to flourish, notwithstanding the war. The fortnightly sailings of the Royal Mail steamers from this port show very large consignments of food-stuffs for Barbados, Trinidad, Demerara and other West Indian colonies. When the war is over, it is expected that there will be a still further increase in the trade, for today many Canadian exporters of other lines than food-stuffs are looking into the prospects of the West India market for the first time.

DRINK AND UNEMPLOYMENT HAND IN HAND
When the tea comes and the factory and office forces have to be laid off, the first thing to be let go is the hand that holds the teacup. The man who has the teacup in his hand is usually the last to be laid off.

For Sore Muscles, Strains, Sprains, Bruises
Rub in a few drops of Absorbine, Jr. and you will be agreeably surprised at the prompt relief. It reduces inflammation and swelling—alleviates pain and soreness.
Used as a Rub-Down after violent exercise or physical exertion it puts vim and energy into jaded muscles, limbers the joints and gives the body the glow of health. Rub-down made by adding one ounce Absorbine, Jr., to a quart of water or witch hazel.
Absorbine, Jr. is more than a liniment—it is a positive germicide and therefore its uses and efficiency are doubled. Applied to cuts, wounds, sores, it kills the germs, makes the part aseptically clean, and promotes rapid healing. Economical as only a few drops are required at an application.
Made of herbs and safe to use anywhere.
At all druggists, \$1.00 per bottle or postpaid. Manufactured only by W. F. Young, P. D. F., 817 Lyman's Bldg., Montreal, Can.

Forty Years of Good Work the Record of City Cornet Band
Anniversary Was Celebrated in Pleasant Manner in the Band Rooms Last Night
INSIDE MORNING.—Forty years is the record of the City Cornet Band. The organization has ever been in the forefront and always ready to lend its aid to a worthy cause. All things it has done have been done well and this applies to the celebration of its 40th anniversary last evening in the band rooms in King street east.
The band was organized in 1874, and seated beside P. M. Higgins, the present president, last night, were two members of the band when it was first organized, W. M. Wallace, at the time the president, and James Connolly, who has proven one of the mainstays of the band. They told of the history of the band and showed that it is and has been a popular organization in every respect. It is now stronger financially, musically and in membership than ever before.
Music during the evening was furnished by St. Peter's orchestra, under the able leadership of E. W. McBride. They were about eighteen strong and the selections rendered were highly commended on. Songs were well rendered by Fred Joyce, S. Herbert, Mayes and David Higgins. A violin solo was given by Muesell O'Neill and readings by J. H. McHugh and S. C. Hurley.
A toast to the King was received with musical honors. A toast to the City Cornet Band was proposed by A. McCloskey and responded to by James Connolly. The toast to "Our Guests" was proposed by Fred Hazel and responded to by Fred Joyce. A toast to the City of St. John and Commissioner J. V. Russell responded. W. M. Wallace proposed the health of the honorary members and W. M. Wallace responded. President Higgins proposed the toast to the City of St. John and Commissioner J. V. Russell responded. W. M. Wallace proposed the health of the honorary members and W. M. Wallace responded.
