ANNIVERSARIES, ENTERTAINMENTS, ETC.

As from the establishment of the Society, the first Anniversary Service was held in St. James' Cathedral, on Sunday afternoon, April 23rd, St. George's Day. The Rev. Dr. Mockridge preached a good practical sermon on the occasion. His Lordship the Bishop, the Rector Canon Du Moulin, the Curate and other Ministers being present.

As on previous occasions, our Brethren, the Sons of England, joined us in goodly numbers and the Church was well filled.

The second service was held in St. George's Hall on the afternoon of Sunday, October 15th. A good, instructive sermon was preached by the Rev. S. Nicholls, a Congregational Minister.

The musical portions of the services, which were very efficient, were conducted by Mr. E. W. Schuch in St. James' Cathedral, and by Mr. H. M. Blight in the Hall.

The collections were, considering the dulness of trade, as much as might be expected. The St. James' Cathedral was very kindly and courteously granted.

SMOKING CONCERT.

On the 28th of February, a Smoking Concert was given by the Society in the Hall, which was well attended, and much enjoyed, producing a fair return, and the repetition of a similar entertainment would probably meet with even better success.
