DELAYED BY STORM.

ner Kilminy Takes Ten Days Make Voyage From Sooke.

Although Sooke harbor lies but 25 miles from Victoria, it took schooner Kilminy, which arrived in quimalt this morning, 10 days in w to make the voyage here. Before schooner arrived reports had bee culated about her having turned four-ton trading sloop is said to en seen floating bottom up off Rocks, and the vessel was believed be the Kilminy. Such, however, pronot to be the case. The schooner with no mishap, and her crew suffer no privations.

According to Capt. J. Mugford, captain, the schooner had been down Sooke with a cargo of lumber, w she discharged at Beecher bay. Sh ust started out on the return trip Thursday the storm ooner was half an hour out from bay when the wind sprang up from outheast, and accompanied by a h snow fall rendered navigation Captain Mugford decided put back for shelter, and sailing up down past Church Island, under Getting into port the schooner remain sel was again overtaken by storm, on the other side of Race Rocks. I ing there yesterday morning she cam Esquimalt, making port last night Capt. Mugford says he saw no wree age whatever on the trip.
