

The Rev. J. Smythe, M. A., on behalf of the congregation, then handed the Acting Grand Master a silver trowel, with which he spread the cement, and the stone was lowered to its place with the usual ceremonies.

The Procession then re-formed and repaired, by invitation, to the beautiful grounds belonging to Mr. L. Dumbrell, where a bountiful supply of refreshments had been prepared by the ladies of the congregation.

Subsequently the brethren returned to the Lodge Room and Grand Lodge was closed in form.
