CHATHAM, - - - NOVEMBER 6, 1884. Return Ticket Question.

In making the recent curtailment of return ticket privileges on the Intercolonial Railway, the Dominion Government has seriously blundered. The change is said to have been made doubtful if it will do so, because anything that attacks public privileges which have the sanction of usage and are based on tacit arrangement between public administrators and the people, must alienate public sympathy and support. Since the obnox-Incorporated in 1865 for 25 years by the Legisature for Educational and Charitable purposes—
with a Capital of \$1,000,000—to which a reserve fund of over \$550,000 has since been added.

By an overwhelming popular vote its franchise was made a part of the present State Constitution dopted December 2d A. D. 1879.

The only 1.5 the server is a support. Since the obnoxinus order relating to these tickets was issued, local travel on the Intercolonial has decreased very appreciably, in comparison with the same appeal December 3d A. D. 1879.

The only Lottery ever voted on and endorsed by the period last year, for people will not exple of only State. patronise a railway whose managers' policy it is to squeeze every cent possible out of them for the accommoda

to afford every facility for cheap

ernment which was to be our pater-

nal and indulgent guardian, has be-

obliging everybody to pay full rates.
Even if that should not be the intention, the time limit will, practition afforded. It is not probable that so important a change would be made without being the Railway will, therefore, now until after dinner except sweeping up and we, of course, assume that the study how to avoid doing so, and the alley ways. Immediately after order emanated from Ottawa. It they will do right. Country mer-chants and dealers who have been in bears the Ottawa "ear marks," at all bears the Ottawa "ear marks," at all events, and is not the first of the chants and dealers who have been in kind from the same quarter-not the fax and other trade-centres to make daily work of the ocean cow-boy. 0,000 first rude reminder of the fact that, 25,000 in Ottawa eyes, the people of the Maritime Provinces are entitled to no privileges, save those for which they are prepared to pay the full price, in addition to being taxed for the general purposes of the Dominion, even beyond the limits of which they were warned by those who so truthfully predicted the evils which Confully predicted the evils which Confederation would bring upon them.

With only those on board who are open for ventilation, causes the person in charge to order all hands to close with the intention of making the provided the person of the ports, which have been left open for ventilation, causes the person in charge to order all hands to close with the intention of making the provided the person of the ports, which have been left open for ventilation, causes the person in charge to order all hands to close with the intention of making the provided the person of the ports, which have been left open for ventilation, causes the person in charge to order all hands to close with the intention of making the provided the person open for ventilation. One by one, the privileges which the people enjoyed in connection with the Government Railways before Confederation have been taken from them. Some of these were no ed the highest tariff rate, while the by the tossing of the vessel. After condoubt greater than the public interest justified, but others were not, and their withdrawal was a violation of the unwritten terms of Confederation—the understandings between the people, on the one hand, and the public men to the counties they represent. who promoted the scheme of Confederation, on the other hand In pre-Cattle-Shipping Confederation times, with a tariff LOOKING AT POSSIBILITIES FOR THE fodder, is about thirty shillings. which took less than one half the amount per head that our present tariff takes from the people, the Gov-
