tandis, Humphreys, for Pensacola and South America. In port at Newcastle, March 21, barks Kel-verdale Prown, for Manila, Laupharga Me when Secretary Hay paid to the French ambassador, M. Cambon, the

place. The deceased had been in poor health for a long time. The following are the officers of the Hill Methodist Sunday school for the coming year: A. M. Lucas, supt.;

England and Russia Will Share China's Good Things With the United States, Eatin Ralph Colpitts, asst. surt.; Miss Mar-tle R. Smith, sec.-treas. Miss Mary Archibald, Hbrarian; teachers, A. C. WASHINGTON, May 1.-Lord Sal bury's Philippine reference to the agreement reached by Great Britain M. Lawson, class 1; Ralph Colpitts, class 2; Mrs. W. J. McAlmon, class 3; and Russia as to China was read with Mrs. Colpitts, class 4; Miss Amy Peck, the greatest interest here. The preclass T. vailing sentiment is one of relief that Miss Lida McAfee of Waterford. by this agreement has been removed an element that threatened to involve in hostilities two great nations with Kiugs county, is visiting at the rectory.

C. & I. Prescott's men went on the which the United States is desirous to stream last week. C. L. Peck's drive on the Sawmill creek is all in, and the mill starts again iomorrow. how the commercial interests of the shut down the mill has had a new United States are likely to be affectsawdust carrier put in and other imed by this important arrangement. The highest official authority here provements added.

LETTER FROM DR. BAYARD.

Provincial Association for the Prevention and Cure of Consumption.

against us; and that we have dethis exclusion by failing to To the Editor of the Sun: substantially assist England in secur-Sir-It is generally known that coning the open door policy as to all China. It is said that so far as the somption is a prevalent and fatul disase And it is largely believed that English sphere in China is concerned the United States will have free entry commercially, while assurances have been secured from Russia that United the disease is transmitted from par-ent to child; in other words, that it is hereditary. Those who have studied the subject know that the disease is States commerce will be treated on contagious, that it is caught from a terms of equality with Russian compre-existing case in man or animal; merce in any portion of China that in :nan conveyed by the germs contained in the expectoration: from the animal by the germs contained in its

flesh or milk. In proof of the prevalence and the mortality of the disease and the necessity that some action should be

taken regarding it, I may say to you that out of 670 deaths in this city last year, from all causes, 102 were HALIFAX, May 1 .-- William Roch says that he has received advices that from consumption; and out of 37 deaths during the same period in the the Moor line of steamships hospital 29 were from consumption. running from New Orleans, will regulamly make Halifax a port of call for With such facts before them, tho coal on their eastern voyages to Europe. This will make it unnecessary niembers of the provincial board of health doemed it expedient to form an association composed of philan-thropists throughout the province, have such large bunker capacit and leave more room for cargo. He says that many lines are in the habit whose mission it shall be to educat of thus coaling at Newport News, and the people and teach them the cause and the prevention of this . White that the action of the Moor line in changing to Halifax is only the be-Hague of the present age. Followginning, that other lines will ere long ing is the resolution passed a follow suit, and that Halifax in this January meeting of the board: ing is the resolution passed at the

Whereas. Statistics teach us that Con-sumption is the cause of one-eighth of the deaths in a community, and recent investi-gations have established the facts, that the disease is transmitted from man to man by the germs contained in the expectoration; and from animal to man, by germs contain-ed in the milk of animals laboring under that disease; that the disease is not inherit-ed, and that it is very 'argely preventable; and Whereas, A large majority of the people respect will take the place of Newport The American fishing schooner Fre derick Gerring, captured by a Cana-cian cruiser in 1896 for fishing within the three mile limit, was sold at auction today. She was bought in by the government for \$806 and will be used

1 cd, and that it is very argely preventable; and Whereas, A large majority of the people are not cognizant of these facts, believing as they do, that the disease is transmissible from parent to child; therefore Resolved, That an association be formed to act in co-operation with this board, whose mission shall be to arouse and interest the public mind, and educate the people as to the means of preventing the spread of Cou-sumption from those already suffering from the disease, to extinguish Tuberculosis in Cattle, and to promote the .restion of Sana-toria for the open-air treatment of Tuber-wilous disease, and that its method be in-struction and persuasion, not compulsion; and further

and further Resolved, That the association shall be called "The New Brunswick Association for the Prevention and Cure of Consumption and other forms of Tuberculosis." And shall be composed of philanthropists of both

Castoria is for Infants and Children. Castoria is it harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It contains neither Opium. Morphine nor other Narcotic substance. It is Pleasant. Its guarantee is thirty years' use by Millions of Mothers. Castoria destroys Worms and allays Feverishness. Castoria cures Diarrhœa and Wind Colic. Castoria relieves Teething Troubles, cures Constipation and Flatulency. Castoria assimilates the Food, regulates the Stomach and Bowels of Infants and Children, giving healthy and natural sleep. Castoria is the Children's Panacea-The Mother's Friend.

#### Castoria.

'Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children." that I recommend it as superior to any pre-scription known to me." DR. G. C. OSGOOD, Lowell, Mass.

Castoria.

"Castoria is so well adapted to children scription known to me." H. A. ARCHER, M. D. Brooklyn, N. Y

swered the plaintiffs' application by

affidavits and oral testimony, showing

that under an arrangement between

the plaintiffs' agent and H. G. Fenety.

defendants' manager, some nine notes

with Mr. Fenety's endorsement had

been given; that Mr. Fenety had sent

the notes down from Freedricton to

E. S. Carter, who, after execution by

the Record company and after they had been handed to plaintiffs' agent,

had at the request of the latter al-

tered the notes by the adlition of a

rate of interest and place of payment,

thereby discharging the endorser. It

was also alleged that the plaintiff

company had made a new arrange-

ment with defendants of which the

notes were a part. A. W. Macrae, for the defendants, contended that leave

only be conditional upon the terms of

giving security. His honor decided

that defendants must give security

\$20,000,000 provided by the treaty of peace for the cession of the Phillippines. The payment was made in four treasury warrants of \$5,000,000 cach, and was receipted for by M. Cambon as completely liquidating the obligation of the United States in this connection. The ambassador deposited the \$20,000,000 in the Riggs National bank of this city, and the cashing of the warrants is expected to be made later through the City National hank of New York. The Spanish government was notified by cable of the payment, but nothing will be done as to forwarding the funds to Europe Spain directs the exact course to pursued.

THE YUKON. Much Destitution, But the Worst Reported

to Be Over.

WASHINGTON, May 1.-Acting Secretary Meiklejohn has received report from Capt. Abercrombie, who is ommander of the excedition investigating the Copper River route to the Yukon country. The report is as follows:

"My expedition disembarked April 23rd. Hospital organized for the care of miners, who are now coming out of the interior by the route you contemplated opening as a military road While the conditions are distressing s far as the destitute are concerned, the worst is over. A full report follows.

STILL IN ABEYANCE.

The Peace Treaty About As Far Away As Ever It Was,

WASHINGTON, May 1 .- The state department has received a long report by cable from President Schurman of the Philippine commission of the conference that was held at Manila Saturday between the members of the commission and the representatives of Asuinaldo. The text of the des-patch was not made public, but it was stated the report agreed precisely with the Associated Press statement of the proceedings in the conference as cabled from Manila.

# **ARGENTINE REPUBLIC.**

BUENOS AYRES, May 1.-The con gress of the Argentine Republic opened today. In his message President Rocas said that a settlement is in prospect of the territorial question, under which peace will be assured an the government enabled to develo the resources of the country and pro mote the colonization of Patagonia. The president advised the formation of a strong metallic reserve in the national bank.

ALBERT CO.

HOPEWELL HILL, April 30.-The death occurred on Thursday of Roy Goodall, aged 14 years, son of Gilbert Goodall of Riverside. The funeral took place yesterday afternoon, interment being at the new cemetery at this

Based upon this resolution the following programme has been adopted The members of the provincial board of health, recognizing the facts that tuberculosis is a contagious disease, that it is re sponsible for louble the number of deaths caused by any other disease, that !ike other cont.gicus diseases it can and should be largely prevented, and that this can only be accomplished by co-operation, in struction and persuasion, have deem-ed it expedient to appeal to philanthrorist, in this province to co-operate with them in forming an associstion to be called the New Brunswich Association for the Prevention and Cure of Consumption and other forms

of Tuberculosis. It is proposed that the association

shall include within its ranks every registered medical man in the provnce, the members of the boards of health, the clergymen of the several denominations, and every well-wisher of his race, of both sexes, in the province, who will kindly aid us in this undertaking. It will be our luty, assisted by the medical profession, to

educate the members and place before them the best mode of procedure, and it will be their duty to impart the information they may possess to all with whom they may be brought in contact, even to the remote parts of the province. It is also hoped they may enlist the co operation of the sufferers themselves.

His honor the licutenant governor has kindly consented to be patron and president of the association, and will in the near future call a meeting, at which a paper will be read pointing

which a paper will be read pointing out the nature and the best mode of preventing the disease. And it is hupsd that some of the foremost man in the province will follow the lead of Lord Salisbury and others in England and speak in favor of the undertak-Yours truly, W. BAYAF.D. 12.8. AL235 7

WHITE'S COVE.

WHITE'S COVE, Queens Co., April 26.-A barn belonging to William Isaac Ferris of Waterborough was burned yesterday afternoon. It contained a quantity of hay and grain, also five cows and a horse, which were all burned excepting one cow, which broke her stanchions and escaped. Mr.

Ferris was away at the time of the accident. His loss is heavy, as he had no insurance. The fire is sup-posed to have originated by a foolish girl playing with matches in the hay Andrew Gunter planted potatoes on

Saturday. Henry Durost and H. E. White also planted potatoes this week Blake Reardon was kicked on the lead by a horse this week and quite

badly injured. Mr. and Mrs. James Stephens, who

were both confined to their beds by sickness, are able to go out again.

## WAGES INCREASED.

READING, Pa., May 1 .- The second increase for the year took place today in the wages of Reading's iron companies' 2,500 hands of from five to ten per cent.

Robert Marshall Grand Recorder, St. John, New Brunswick:

Robert Marshall Grand Recorder, St. John, New Brunswick: Dear Sir and R III. Compution-Will you please forward to Id. Edward W. Welling ton of Ellsworth, Kansas, the Thrice III. Master of Ellsworth Council, No. 9, and the H. Grand Principil Conductor of the Work in our Grand Council, a copy of the printed oroceediags of your last annual assembly. II. Companion Wellington is desirous of obtaining the names and addresses of your grand odicers and representative attendants upon your annual assemblies, with the view of now sending to them printed matter re-lative to the proposed Cryptic Rite excur-sion which will be made in August next to our neighboring State and Grand Jurisdic-tion of Colorado by the Companions a most ordinand the conferring of the Cryptian registron and the top of Pike's Peak or in the Garden of the Gods, and later in the week by exemplification with full ceremonics by obligation on the top of Pike's Peak or in the Garden of the Gods, and later in the week by exemplification with full ceremonics in benver, to be followed by banquet. Side rises will be made during the week to vari-our sits Annual Assembly, that this Companion is a most enthusiastie and cr-ergetic worker, and whatyer he may un, a context the poor do the cording. Think you will discover by examination of the work done for the Cryptic Rite in Kansas during the past year by III. Com-wellington, as reported in the proceedings or of sits a most enthusiastie and cr-ergetic worker, and whatyer he may ua, a to offer for the good of the Craft will be weak by exemplication of your com-mannion. Thanking you in advance for the cour-

Tuesday three families left College Bridge station by C. P. R. for Uncle Sam's domin-ions. Louis Michaud, a orivate of a Massachu-setts regiment which did active duty in Cubs during the late war with Snain, is vis-iting his cousin, Mrs. Dr. E. S. Laudet. Pri-vate Michaud, who was wounded during the attack on Santiago, has received several medals for bravery. He slao has many n-ferenting storics to tell of the war and the soldier's life in Cuba. Jude Gaudet, who for the past fourteen years has held the position of foreman of he college farm hinds, has resigned that position, and has taken the farm of his late hrother. Hinneri Gaudet. Amable Belliveau has been appointed in Mr. Gaudet's place. The roads are in very good condition and otoycles are making their appearance. The base ball season has opened hars, the first same being played on the college flamond on Tuesday. The game between two picked teams was very interesting, lasting eleven innings, the score being 6 to 6. Work has been resumed on the new Roman Catholic church at Gouldville, and it is ex-pected that the building will be completed by the latter part of May. <u>MARINE MATTERS.</u> panions. Thanking you in advance for the cour-tesy extended to Com. Wellington, I am, Fraternally and zealously yours,

WM. M. SHARER, Grand Recorder Canada is now awaking to the im-pertance of this branch of the order, as witnesselt the recent novement in Toronto under the able leadership of M. Illustrious Companion J. R. Roberisen, M. P., and also in Hallfax N. S., resulting 'n the reorganization under most auspicious circumstances

of Chebuctou Council, No. 4. In this city New Branswick Council, No. 2, will shortly be restored to its former status. This will give St. John the grani east of the Cryptic Rite, three councils, one being located at the west end, the other two in our.

Temple, Germain street. TO RELIEVE PEARY.

ST. JOHNS, N. F., May 1 .-- The

ST. JOHNS, N. F., May 1.—The seal-ing steam r Hope went into dock here today to be thoroughly overhauled and repaired preparatory to proceeding northward next month with an ex-pedition for the relief of Lieut. Peary, the Arctic explorer who went toward the pole last summer with a special selected party and who may now need assistance, as his iteamer, the Wind-ward has been frozen in the ice face ward, has been frozen in the ice floes

since the early part of last winter. IN CHAMBERS.
