Colds, Coughs, Asthma, and Consumption.

THE most celebrated and infallible remody for Colds, Coughs, Asthma, and every form of Putmonary Consumption, is the HUNGARIAN BALSAM OF LIFE, discovered by that comment medical chemist, Dr. Buchsan, of London, England, and extensively known as the "Great English Ramedy.

It has been tested for upwards of seven years in Great Britain and on the continent of Europe, where it is universally considered the great, and only remedy for this awful malady, and now introduced, to the public under the immediate superintendence of the inventor. Within three years it has been distributed from Maine to Florida, and from Canada to Wespensin and its effects are every where
