PITTSBURG AS FLAG CLENCHED

Although Defeated by New York the Victory of Philadelphia Over Chicago Gives Pirates the Pennant--Wild Demonstration When Score is Announced.

Pittsburg, Pa., Sep. 28.—The Pittsburg baseball club today clinched the 1909 pennant of the National League. Although the team was defeated by New York by a score of 13 to 9, Philadelphia's victory over Chicago assured the pennant for the Pittsburg club. Should Chicago win every game from now until the close of the season and Pittsburg lose every game it plays, the local team would still be in the lead at the close of the season by half a game.

A wild demonstration was enacted on Forbes' field today at the close of the game with New York when the Philadelphia-Chicago score was posted on the bulletin board. The crowd made a rush for the benches of the local players, but they had retreated to their dressing rooms.

Before the game today Manager Fred Clarke of the Pittsburg team was presented with a purse of gold amounting to a little over \$100 in gift of local baseball enthusiasts. Mayor Wm. A. Magee of this city made the presentation speech and lauded the work of Manager Clarke and the members of the Pittsburg team.

Today's game was a swiftest pure and simple, with the visitors having the better of the argument. The locals used four pitchers, but all were fit freely. Ames was hit hard in the ninth inning when two singles, two doubles and a triple netted the home club five runs. New York scored early in the game, scoring five runs in the first inning, but that could not be overcome.

Pittsburg won the National League pennant in 1901, 1902 and 1903, but being the fourth time, and giving Manager Clarke the distinction of being the only man in the National League today with such a record. Only three other managers of major league teams ever had a better record of winning the pennant.

HALIFAX EXHIBITION RACES POSTPONED

RECORD CROWD AT BEACH SHOW

The New Brunswick Kennel Club's Annual Show, Opened Yesterday, is Attracting Many--Stalls Attractively Arranged--Many Fine Dogs Shown--Judging Commenced--The Results So Far.

The bench show of the N. B. Kennel Club got away to a good start last evening, with a full exhibition of dogs, a large attendance and considerable judging accomplished. During the morning and afternoon the exhibitors were engaged in bringing in their dogs, trimming the stalls and generally making the place look more attractive.

The officials of the club were kept busy all day yesterday in attending to the arrangement of the exhibits and the dog functions were treated with every courtesy and consideration. Good words in particular were said for the efficient secretary, Mr. R. D. Patterson, and the obliging superintendent Mr. T. McCullough.

Judging was begun promptly at 8 o'clock last evening and the smooth running of the show was a beautiful Scotch collie has a very young litter of puppies, which are characterized by the young lady spectators as "just too cute for anything."

The track was heavy with mud and after the all-day rain of Monday and an easterly wind with a heavy mist the spectators could hardly see the range of possibilities at any time. Through the mud it was impossible for either the trotters or pacers to make fast time, but the performance of the highly creditable Laura Merrill (2:14 1/2) the Fairville mare, sprung a surprise on the talent, by winning the concluding heat of the free-for-all, but the regular races on today's card all went to the favorites.

The judges' action in setting Burline back from first to last place in the second heat of the 2:17 class, came in for a heap of adverse criticism. When Devlish Dorothy kept on the trot there was nothing to the 2:25 trot but the daughter of Dare Devil and the Island mare's performance pleased her veteran owner Dr. J. T. Jenkinson immensely. Notwithstanding his 82 years the doctor is still an enthusiastic horseman and he was glad to see his mare go into the standard list today. Her record of 2:27 is equal to several seconds faster over a track somewhere near here.

IT'S UP TO HIM TO DO THINGS

HEAD COACH JONES.

Wouldn't it be pleasant to run up against this husky some dark night if he was hungry and inclined to be rough? Fine chance an ordinary mortal would have trying to rouse house him.

This gentle looking mastodon is one Howard Jones, head coach of the Yale football eleven. In 1907 Jones played right end on the Eli Varsity and took his medicine like a little man whenever the coaches got a lurch to give him a grueling.
