### THE GRAND EVENT OF JULY FIRST, SECOND AND THIRD

The Coming of Margaret Anglin to the Opera House, The Greatest Theatrical Event in Years.

No more important engagement has ever been booked at the St. John Opera House than that of Margaret Anglin and her excellent company to appear the first three days of July.

The name of Anglin blazing forth in huge electric letters from the lead-larger cities, never fails to act as a magnet upon the passer-by, and the impression left upon the one fortunate enough to see and hear the celebrated star is one that is hardly ever erased, as the wonderful personality of Miss Anglin and her superb acting is seldom forgotten.

The people of St. John may look forward to a rare treat, indeed, in the coming of the fair Canadian celebrity and her associate players, and they no doubt will be extended a cordial welcome.

Full particulars of this great attraction will be given out in a few days.
