J. L. STEWART,.... EDITOR.

FRIDAY EVENING, OCT. 23. St. Stephen School Difficulties. St. Stephen is never happy without its faction fight. A railway row, a school difficulty, or some other kind of All the dark groping through its thorny maze. has a journalistic outlet for its feelings, dull gloom.

Buried the dreamer in his lowly tomb! and peace is past expecting. The schools are the subject of the present How rule soe'r this winter's winds may blow. How high soe'er may pile the drifts of snow. How high soe'er may pile the drifts of snow. difficulty, or, rather, they have been They cannot chill the dust that lies below. made the pretext for a fight that was o Poet heart and Poet brain, at rest, absolutely requisite for the happiness of Too long, too hopoles seemed the weary quest, the people. A teacher turned Little | Earth's voices are so loud-to sleep is best! Barefoot out of a public school, the fa- But for the spirit's wing, at length unbound, ther resented it, and the Board of Trus-tees sustained the teacher by ordering tees sustained the teacher by ordering "that all the children whose parents are And in that Present, closer to their Source, unable to provide them with shoes be admitted to the several schools barefoot- And strike into a higher wider course! ed," thus making barefeet the sign of O Friend, O Brother, vast the thoughts that pauperism. Trustees who could pass spring! such a kid-glove order deserved to be My flower of song falls broken while I sing. taught better, but, perhaps, it should have been left to the Board of Education Council, however, dismissed the members of the Board appointed by itself To the Editor of the Tribune. for their action on this matter, and for other reasons not very clearly expressed in the committee report on which the been in dispute between Philip Nocoat, fires, was referred to the Fire Committee. order of dismissal was based. The siastic in support of the Trustees. Of Philip Nocoat is spurious and that he Coun. Martin was granted permission to evidently the champions of St. John. the four gentlemen appointed in the himself is of pure stock and the only deerect a sign across the sidewalk on

school men who will accept the appointment under the circumstances; and we would say to our fellow-laborers who have worked nobly with us in this good couse, resist the bribe by all means.

It is a very pretty quarrel as it Opera House— stands, and seems like a funny affair at Mechanics' Institute this distance; but it is a serious matter in St. Stephen. It is unfortunate that Foundthe education question should become a Agents Wanted subject for fighting over among the Ladies' Rich Fursfriends of education. The St. Stephen Trustees have worked well in the cause, spending a little more money than many free school supporters deemed necessary, but their barefoot order admits of no excuse or explanation. The financial charges against them really amounted to nothing, and nobody doubts their probity. But the majority of the Town Council, and the gendern the Council offered to make tlemen the Council offered to make the night before, and saw their there are two degrees difference of longitude. This, he says, is accounted for by the intercers two degrees difference of longitude. This, he says, is accounted for by the intercers. The captain was surprised at not finding this rock on an English chart, by Wilson, dated 1872, and also by a French the high the right several of the company only arrived the night many free school supporters deemed necessary, but their barefoot order ad-

One of the hypocrisies of the "Reform" management is the formal sending out for tenders for printing, no nosent in from parties not on the subsidy role St. John printers have tested the matter by sending in tenders, with samples attached, at rates barely covering against a cartman in the city of stealing the cost of material and labor, and never heard anything from them, never the cartman having made the mistake of the cartman having
