### MILLIONS OF PEOPLE IN AGONY

Physicians Cornered!

I SUPPOSE there is not in the whole of a physician's catalogue, anywhere, a more suffering which calls for his sympathy, and that of his fellow-men, as to witness the agonizing pangs of a poor mortal, suffering from rheumatic disease.

### RHEUMATISM!

Heretofore there has been a considerable diversity of opinion among medical men, as to the true character of this disease. Some holding it to be a nervous or muscular disease of the system, and others viewing it as an acute nervous disease; but it is now generally admitted to be a disease arising from a poison circulating in the blood, and a feverish state of the system, terminating such poisonous matters from the blood, by a constitutional action, without any relief from the system, and without any relief from the system, and without any relief from the system.

### DIAMOND RHEUMATIC CURE!

It is a wonderful medical discovery.

MR. ISAACSON'S ENDORSEMENT.

MONTREAL, 21st March, 1874.

Dear Sir, I have suffered for fifteen months with Rheumatism, and could not find any relief, after trying every medicine that I could get hold of. I had the pleasure to receive from you a bottle of your Diamond Rheumatic Cure, and after using it for a few days, I feel a great relief, and I have now a perfect cure. I have no more pain, and I feel as well as ever. I am, Sir, your obedient servant, JAMES O'BRIEN.

### THAT DAY AND THAT HOUR.

Oh that my head were laid  
On some heart that I loved me,  
It could not succumb to my grief,  
Cease from its laboring sleep,  
Oh! my heart's desire,  
Were I could see you once more,  
I should not know if I met it,  
And left me in Paradise!

Oh that some deep, calm prayer  
Could still the pulses of my heart,  
Till life should stop in the breathless hush,  
And mine interest be in it!
