

SABBATH SCHOOL REPORT.

In reviewing the work of the Sabbath School for the past year, we are gratified and thankful to God for any measure of success that has accompanied our efforts as teachers. We are also thankful for the honour and privilege of being permitted to be co-labourers with God, and with the thousands who make up the great army of Sabbath School workers. May our watchword ever be "Onward, looking unto Jesus." During the first six months of the year our studies were in the old Testament, commencing with the division of the kingdom under Rehoboam and the appointment of Jeroboam as first king of Israel, who introduced the worship of idols, and who is known for all time to come as "Jeroboam, the Son of Nebat, who made Israel to sin." From this history of Israel we learn the disastrous consequences to which small beginnings in sin may lead. Notwithstanding the warnings and entreaties of God, given through His prophets, Israel as a nation went from bad to worse, until judgment fell, and the people were carried into captivity. On the other hand, we learned the loving care of God for his faithful servants, such as Elijah and Elisha. During the last half year our studies have been in the Gospel according to St. John, who wrote that we might believe that Jesus is the Christ the Son of God, and that believing we might have life through His name.

During the last year eighteen of the Sabbath School scholars have entered into full communion with the Church.

The Sabbath School is supplied with papers such as the Sunday School Times, of which there is a copy in nearly every family, The Westminster Teacher, Lesson Leaves, Cottager and Artisan, Band of Hope, Child's Own Magazine and Children's Record.
