## SPORTS THE WORLD OVER

Baseball, Soccer, Lawn Bowling, Golf, The Ring, Etc.

### No Matches For Dempsey.

American promoters who would like to stage Dempsey in a limited round bout this winter are finding it hard to select an adversary possessing even ordinary ability. In discussing a probable match for the working champion such heavyweight as Levisky Brennan, Meehan Fulton, and others are mentioned. Should Dempsey meet any of these men he could win easily if only half as fit as he was when he won the title from Willard.

Dempsey, at the top of his form is a pugilistic phenomenon. He proved this assertion when he slaughtered Willard at Toledo. Veterans who had seen all the best heavyweights since Sullivan's time, agreed that Dempsey never had been excelled as a hard hitter, and that he was faster on his feet than any of the former champions, with the possible exception of Corbett. Having beaten all of the heavyweights named above, except Meehan, with knockout wallop, Dempsey has no formidable opposition in America.

### IRISH KENNEDY AND HANK WOODS SEVER CONNECTIONS

Irish Kennedy and Hank Woods have parted company. Kennedy has left for his home in Waterloo and Woods has several good bouts in view for Kennedy, at what he considered good terms, but Kennedy would not accept and they decided to part. Woods has signed

up Maxey Green for a year, and Green will come here in the near future to reside. Hank thinks that a bout between Green and Jimmy Goodrich would prove a winner.

### Hamilton Spectator.

Kansas and Ernie. Rocky Kansas gave K. O. Mars in ten rounds at Buffalo last night. The bell saved Mars several times. George Ernie won handily over Chick Smiler, of Scranton.

Tigers are not Worried. "Argos" protest is causing no worry in Hamilton Tigers' ranks. The tough line judge on the east side of the field was a Toronto man, and would certainly have called the turn if McKelvey had stepped an inch over the line in his long run. The officials, while they had to take the protest, admitted they did not think there was any grounds for it. A Hamilton report says.

Evan Lewis Dead. Evan Lewis, former champion heavyweights wrestler and the original "Strangler" Lewis, died in Dodgeville, Wis., after an illness of two years. Lewis, who was 58 years old, retired from the mat thirty years ago.

"Calgary" says this winter and expect to pull in at least \$600 for the season. This is the information contained in a wire received by a local hockey player, inviting him to journey west. Transportation was waiting for him at the station and all he had to do was jump on the train and hike west. The play-off is still here, and the hockey officials have the wire.

So charges a Winnipeg paper. "We are going to keep the records of this league clean," said Capt. Pearson, president of the league, "and whenever such an accusation is made we shall certainly probe it to the fullest extent."

The Amateur Athletic Union of Canada is to blame for this sort of thing in letting all gates down rather than battle for what the amateur laws called for. They chose the easy way out in the face of the western threats and now, according to the Patriotes, amateurs are demanding and getting more money for playing hockey than the pros. The Toronto Evening Telegram says.

### POCKET BILLIARD TOURNAMENT AT PHILADELPHIA HAS PRIZES WORTH WHILE.

The names of eight of the ten players who will compete for the National American pocket billiard championship at Philadelphia, commencing Dec. 1, were announced yesterday at Cleveland by Manager P. J. Benjamin, as follows: Bennie Allie, Kansas City; Jerome Keogh, Rochester, N.Y.; Ralph Greenleaf, Wilmington; Edward L. Ralph, New York; John M. Layton, Columbia, Mo.; James Maturo, Colorado Springs; Morris Fink, Philadelphia, and Joseph Concannon, New York.

The other two players will gain entrance by an elimination tournament preliminary to the championship tilt. The championship winner will hold his title for one year. Besides a medal emblematic of the championship, the winner will get a \$2,400 annuity, a \$1,500 prize, and a salary while on tour throughout America. The player finishing second will get a prize of \$1,250; third, \$1,000; and fourth, \$750.

At a meeting of the executive committee and players of the argonaut football club, Toronto, it was unanimously decided to prosecute the protest against Hamilton lodged after the game there on Saturday, in which the Argos were beaten 8 to 6. Tigers won when McKelvey is alleged to have run into touch when carrying the ball for the final touch-down in the last half-minute of the game. The spectators were warming over the field at the time, and Argos could not reach the runner to make a tackle.

There was not a dissenting voice at the meeting. The Double Blue feel that they have a duty to perform in connection with the protest. They want to bring matters to an issue and prevent, if possible, a recurrence of the incident at Hamilton. The protest will be forwarded to the Inter-provincial rugby union immediately.

### ARGOS ENTERED PROTEST AGAINST TIGERS.

At a meeting of the executive committee and players of the argonaut football club, Toronto, it was unanimously decided to prosecute the protest against Hamilton lodged after the game there on Saturday, in which the Argos were beaten 8 to 6. Tigers won when McKelvey is alleged to have run into touch when carrying the ball for the final touch-down in the last half-minute of the game. ### BRIGHT PROSPECTS FOR HOCKEY CLUBS

LIST OF JUNIORS AND INTERMEDIATES WILL SHOW THIS.

Getting into Practice and Shape. A meeting of the junior and intermediate hockey clubs was held last evening at Mr. C. H. Kaplan's store. Both clubs were well represented.

According to the list of names taken on it seems that hockey will boom in Kitchener this season more than ever before. Trainers chosen were Ed. Poll for the intermediates and Oscar Burkhardt for the juniors.

The boys have been doing some running but on Friday evening, from 8 to 9 p.m. will have a workout at the rink.

An effort is being made to get the use of St. Jerome's College gymnasium for training quarters until there is ice.

### STRATFORD LOOKS FOR A REVIVAL

AND RETURN OF GOOD OLD HOCKEY DAYS.

Stratford is getting into hockey with both feet this winter and fans are looking hopefully to the teams regaining some of the laurels which went to that city in days gone by.

Charlie McDonald of Hamilton has been engaged as trainer, and is expected to get the boys rounded up in a day or so. The plan is to have them work out at the rink for the present and later some road work will be taken up.

The boys will be given a stiff preliminary so that when the ice comes they will be ready to get down to real hard work.

There seems plenty of good material about the city this year, and both juniors and intermediates should come along nicely. If they don't there are going to be a lot of disappointed fans.

LOVED \$1,000,000 GIRL, ARRESTED FOR ABDUCTION

Regina, Nov. 6.—Frank Pick's "Love's young dream" was rudely interrupted by detective sergeant Kilgore, and now Pick is awaiting preliminary hearing on a charge of abducting an heirless under the age of eighteen years.

A feisty of the interruption was that the police officer made the arrest when Pick was dreaming on a pile of potatoes in a cellar at Yorkton, where he had taken refuge. The "raider" the case is Emma Kendall, a sprightly lass of about sixteen summers, whose daddy is worth about \$1,000,000 and she is sure to get a good slice of this.

MUCH TIME WILL BE NEEDED FOR TRIAL OF STRIKE LEADERS

To Begin Within Ten Days.

(Special to Record).

WINNIPEG, Nov. 6.—Sometime within the next ten days the actual trial of the eight strike leaders charged with seditious conspiracy is expected to open. Before that time, however, some charges under which men are now held may be altered or enlarged.

A. J. Andrews, K.C., special crown prosecutor, said today.

The presentation of the evidence before the Grand Jury will be the next step in the proceedings. The solicitors on both sides, however, look on this feature as something of a formality, but if the Grand Jury should not return a true bill, the case would be at an end and the men would go free.

There is every promise of a long drawn out trial. The preliminary hearing in which only the prosecution put in its case, occupied 16 full court days.

ARRESTED ON MURDER CHARGE.

Winnipeg, Nov. 6.—German Jacko, 28 years old, a Galician, was arrested in Winnipeg on Wednesday by a Royal Northwest Mounted Police officer, in connection with the murder of Wasyl Rubliak at Kenora, Ont., nine weeks ago. After a chase that extended to Toronto, Jacko was arrested at the alien register office on Main street when he entered to register under alien enemy act. He will be charged with first degree murder. Constable J. Wood of Ontario will take him east for trial.

Two men were drowned two others, probably so, a boy was fatally shot while hunting, and a child burned to death over the week-end in Thimbleton district.
