"The electorate didn't want Jim's good morning. Jim's a good morning," said runner-up candidate Kevin Garland, Wednesday morning after Jim Muirhead was elected new student union president.

The other presidential candidate, Whalen, commented, "I did a real good job. I enjoyed it. I caused a bit of interest among the students."

Commenting on the campaign, Whalen added, "I think the election could have been better organized. I'm pleased that the campaign went. It did."
