WHO?

Who do you want to govern Canada? That's a serious question. On November 21, Canadians will answer.

Brian Mulroney and the Progressive Conservative government understand that the world around us is changing, and that our challenge is to manage global change to Canada's benefit. Since 1984, the P.C. government has put Canada on a solid footing.

Who has more at stake than Canada's youth?

Before you vote, consider the facts.

LEADERSHIP

Since the P.C. Government was elected, the youth unemployment rate has fallen from 18.3% to 12.2%. This progress must continue.

COURAGE

The P.C. government has led the western world in taking a firm stand against the Apartheid regime in South Africa.

VISION

The P.C. government has produced Canada's first Environmental Protection Act, which carries harsh penalties for polluters.

These are some of the issues which concern young Canadians. In four years, Brian Mulroney and his government have made great progress. Support the P.C. government, and the progress will continue.

Who should we elect?

The P.C. Government.
