Mr. R. E. Gosnell,
Victoria Chambers,
Ottawa.

Dear Sir:

I enclose herewith a letter which Mr. Mackenzie King dictated to you in August last, in acknowledgment of a letter which you had addressed to him from British Columbia. Your communication has been returned a second time from the Dead Letter Office; and on further inquiry I have found that all the while you have been residing in Ottawa. I am sorry indeed not to have directed the letter properly in the first place.

Yours very truly,

J. A. MacGregor

Private Secretary.
