Roy McCannell, City Commissioner requests that delegation consisting of representatives of Regina, Saskatoon, and Moose Jaw meet the Premier, Hon. Ralston and Dunning relative to unemployment. It appears that a delegation waited on the Provincial Government and that they were requested to call upon the Premier when he visited Regina resulting in a resolution being passed by the City Council directing the said commissioner to form a delegation jointly with the commissioners of the other two cities to wait upon the Premier and the two cabinet ministers on the 20th inst. ✓

These three delegations would like to know a little in advance what hour of the 20th in order that they may communicate with representatives from other cities.
