Rt. Hon. Arthur Meighen, M. P.,
House of Commons, OTTAWA, Can.

Dear Mr. Meighen:

In acknowledging your letter dated July the 20th I may say that in my humble opinion I do not believe it would be wise to send Sir Henry Drayton or anyone else from Ontario down here.

However, I would suggest your taking this matter up with the Hon. Mr. Rhodes and his right hand man the Hon. Mr. Harrington, as it is not my intention to take any active part in the next Federal Election, for I am absolutely tired of the game.

I sincerely trust that you will have a good trip West, and wishing you every success, I remain

Yours very truly,

FS/MJ.
