Ottawa, April 27th, 1932.

Dear Dr. Anderson,-

I have your letter of the 23rd instant and am acknowledging it only for the purpose of saying that I took the liberty of having a personal talk with Senator Gillis on the subject. He authorized me to say to you that he warmly endorsed the opinions expressed in my last letter.

I do not propose speaking of the subject further, nor will he, but it is worth while having Senator Gillis' opinion.

Yours very truly,

Hon. J.T.M. Anderson,
Premier of Saskatchewan,
Regina, Sask.
