shall submit a report to the high contracting parties whenever in the opinion of a majority of the members of the Commission, it has reason to believe that a violation of the disarmament and demilitarization provisions of Article I has occurred or is about to occur. In conjunction with such report the Commission shall submit a recommendation for action on the part of the high contracting parties which appears appropriate to a majority of the members of the Commission. Upon receipt of such report and recommendation, the high contracting parties will, by common agreement, take such prompt action - including action by air, sea or land forces - as may be necessary to assure the immediate cessation or prevention of such violation or attempted violation. The high contracting parties shall immediately report to the Security Council of the United Nations the action taken or to be taken.

The high contracting parties agree that, within six months of the effective date of this treaty, they shall consult for the purpose of negotiating special quadripartite agreements which shall provide in the greatest practicable detail for inspection, inquiry and investigation by the Commission of Control, for the numbers and types of forces which each party shall make available for purposes of this treaty, for their degree of readiness and general location, and for the nature of the facilities and assistance which each shall provide. Such special quadripartite agreements shall be subject to ratification by the high contracting parties in accordance with their respective constitutional processes.

Article V

This treaty shall be ratified by the High Contracting Parties in accordance with their respective constitutional processes. The ratifications shall be deposited with the Government of -----, which shall notify all the High Contracting Parties of each deposit. This treaty shall come into force upon the deposit of ratifications by each of the High Contracting Parties. This treaty shall remain in force for a period of twenty-five years from its effective date.
