

(e) For New Television Broadcasting Licences

<u>Applicant</u>	<u>Location</u>	<u>Request</u>
Radio Saguenay Limitee	Jonquiere, P.Q.	Licence to establish new TV broadcasting station at Jonquiere, P.Q. on Channel 12/ with e.r.p. of 20 kw video, e.r.p. of 10 kw audio and an antenna height of 311.5 feet above average terrain.

Reason: In the opinion of the Board the application is satisfactory, and the station would extend national service coverage as well as providing local service. It is technically acceptable.

Canadian Broadcasting Corporation	Ottawa, Ont.	Licence to establish new TV broadcasting station, French language at Ottawa, Ont., on Channel No. 9/ with e.r.p. of 55 kw video, e.r.p. of 31 kw audio and a directional antenna at a height of 403 feet above average terrain.
-----------------------------------	--------------	---

Reason: Technically acceptable and the proposed station would provide an adequate service to the region it is intended to serve. Grade "A" service is envisaged for Hull, Ottawa and environs and the Grade "B" service would have extensive rural coverage of the French language population.

B. APPLICATIONS RECOMMENDED FOR DENIAL

IT WAS RESOLVED

THAT the Minister of Transport be advised that the Board of Governors of the Canadian Broadcasting Corporation recommends that the following applications be denied for the reasons indicated.

(a) For Transfer of Shares and Control of Existing AM Broadcasting Stations
