Mr. R. Carter Guest,  
District Inspector Air Regulations,  
Vancouver, B.C.

Dear Sir:

Re: Piper Cub CF-BUZ

Reference your letter of the 21st  
March, 1947. We consider this aircraft to be a total  
loss and are paying the insured accordingly.

The parts have been sold for salvage  
to Brisbane Aviation, and so far, we understand, all these  
parts have not been shipped from Chilliwack to Brisbane  
Aviation as yet.

Yours very truly,

THE BRITISH AVIATION INSURANCE CO. LTD.
