

## CONTENTS

### PART I

#### CANADIAN FIELDS IN DETAIL: EASTERN.

CHAPTER I.		
<b>Nova Scotia:</b>		1
Geology:		1
Stratigraphy:		1
Geological structure.....		3
History of drilling operations.....		4
Indications.....		4
Possibilities of oil and gas.....		4
Oil shales.....		6
Pictou county.....		9
Antigonish county.....		11
Kings county.....		15
Hants county.....		15
CHAPTER II.		
<b>Prince Edward Island:</b>		17
Geology:		17
Stratigraphy:.....		17
Geological structure.....		18
History of drilling operations.....		19
Possibilities of oil and gas.....		20
CHAPTER III.		
<b>New Brunswick:</b>		23
Geology:		23
Stratigraphy:.....		23
General statement.....		23
Table of geological formations.....		23
Description of geological formations.....		25
Pre-Cambrian.....		25
Cambrian.....		25
Ordovician.....		26
Silurian.....		26
Devonian.....		26
Carboniferous.....		27
Triassic.....		28
Igneous rocks.....		28
Superficial deposits.....		28
Geological structure.....		29
