J & G Grinnell Esq^s

Dear Sirs

I rec^d your letter and answered by tele
 gram answering Bradley's matter. I
 wish in addition to what has been
 conveyed for you in our Judgment is
 obtained or be soon as it is for you
 to put a memorial on hand, so that
 I can settle his rights & title to his real
 estate, and then treat the question by a
 writ of ejectment. I wish you also
 to pursue the same course in Lechard's
 matter. — I am not going to be swayed
 at all without an effort to appear to
 you

Yours
 Thomas H Jones
