LIFE INSURANCE

One of the Policyholders of The Great-West Life, whose Policy recently matured, writes to the Company:—

"I have just received your Cheque in settlement of the above Policy, and find the result of my investment is that I have received back all the money paid for premiums with compound interest at 3½ per cent., or more than a savings bank would have allowed, in addition to insurance during 25 years for the amount of the Policy. Such satisfactory results should convince those taking out Insurance now of the advantage of being able to have their funds invested for them by men with such long and successful experience as the Directors of your Company have had."

The Great-West Agent can invariably count upon the good word of his Company's Policyholders. Good districts are available for experienced canvassers, East and West. Liberal Contracts arranged with the right men.
