Ten Dollars Enough.

BY CATHERINE OWEN. 1 vol. 16mo, \$1.20.

The writer of this book shows how one dollar may either be made to do the service of two, or may by skill and care be made to produce a result (in the way of food and housekeeping) not merely twice as good as is commonly realized, but infinitely more satisfactory both to the palate and to the family happiness. She tells a pleasant story, and weaves into it recipes, descriptions, directions for cooking and housekeeping, admirable for their clearness. The story appeared originally as a serial in Good Housekeeping, and it has received the unqualified commendation of many who have tested the recipes and followed the suggestions.
