"Can I Get Along Without It?"

A TORONTO business girl, struggling to save in these war times, says, that when tempted to buy some attractive novelty she always asks herself, "Do I need it? Can I get along without it?" and if she could, she didn't buy it. This is an excellent basic plan of saving, but as applied to Life Insurance her decision as to the above question, must surely be in the negative. All classes of people need insurance protection, and the poorer one is the less able that person is to remain without it.

Save your Savings for Life Insurance, which gives you back all you pay in with profits added; it also protects both you and your dependents, by affording immediate relief in time of trouble. Pay your premiums by cheque,—nothing gives you such a backbone as the possession of a bank account.

Let us explain our monthly Income Policy and other Plans suited to your requirements. While in good health

See your nearest Agent of the Company, or write to either of the undersigned at Head Office for full particulars, stating your age at nearest birthday.

A SPECIAL SERVICE

Many men and women reluctantly assume the duties of Treasurer or Trustees of Charitable, Social, Fraternal, Educational, Religious or Civic organizations. The duties while responsible, may not require the full time of a salaried official. There are many advantages in the employment of a Trust Company in such cases: it is permanent, experienced, and responsible; it has unusual facilities for supervision and audit and for the safeguarding of books of record, documents and funds.

Consult us about the many phases of this Special Service.
