## THEY ARE THE BEST

An extensive range awaits your inspection at your dealers. Ask to see H. B. K. brand shirts, and you will see **QUALITY, DURABILITY AND VALUE.**

Many new ideas, together with the concentration of our best efforts, has given H. B. K. brand shirts **more individuality and greater strength** than any line on the market to-day. If you are among the few who are not acquainted with H. B. K. brand shirts, get **wise**; that is if you are seeking the **best value for your money.** Value is the true test of cheapness, and we prove it. **MORE WEAR, MORE COMFORT, MORE MATERIAL MEANS MORE VALUE.**

Here are some reasons why H. B. K. brand Big Shirt is the popular shirt among workingmen :

Every shirt guaranteed by the makers. Buttons sewed on by hand ; can't come off. 3 1-2 yards best material to each shirt. Seams all double stitched ; can't rip. Roomy, comfortable, serviceable. Button-holes bar tugged ; can't wear out. Faultless workmanship. Easy to work in. Gusset bar tucks through and through. Whip stitch ; can't tear.

No wonder H. B. K. brand has the largest sale.

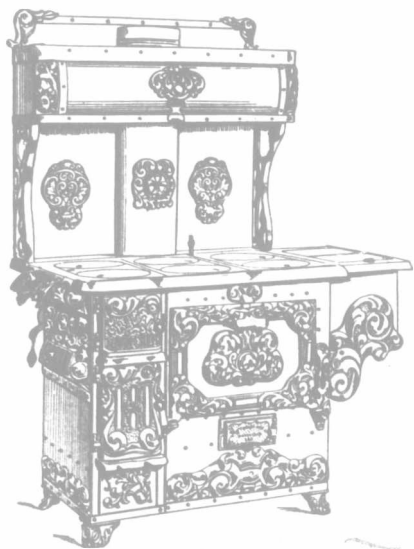

The workingman knows a good thing when he sees it. H. B. K. brand is manufactured and guaranteed by

The Rival Steel Range. Built expressly for Western requirements, and a perfect worker in every sense. Made in a variety of styles and sizes.

The "Good Cheer" Furnace. The only one with an effective air-blast ring so necessary in the use of Western coals. The Circle Waterpan is an exclusive feature, which does away with that dry blistering kind of heat common to other furnaces.

The "Good Cheer" Oak. This is but one of many Oaks that we make. We have them in all styles and sizes, suited to all needs.
