

Splendid Group of Candidates Already Enrolled and Enthusiastically Working to Become a Member of The Ontario's Party—Results of the Polling Up to Date—It is Still Anybody's Opportunity to Win.

A very large number have been enrolled in The Ontario's Great Popularity Campaign and many are earnestly working to secure for themselves one of the splendid tours that it provided free of cost.

Some are rolling up considerable votes for themselves, but others have already grown weary in their little effort.

A single refusal to subscribe for the paper, or a sour look is sufficient to turn many from their purpose.

The universal experience with newspaper contests is that the competitors narrow down to half a dozen or so earnest workers in each district.

Do you desire for yourself one of these wonderful tours? There is only one way to make it certain, and that is to enter upon the work with a determination to win. Lack of enthusiasm, want of definite purpose, ease of discouragement will cause failure in anything and voting contests are no exception.

You CAN win if you WILL to win. If you have the proper earnestness of purpose and determination to succeed you will formulate proper plans for yourself, enlist the support of your friends, and go about it as if you meant business, not as a half-hearted dreamer, doomed to failure from the start.

Have no fears of a large field of candidates at the beginning. Many of these will inevitably fall out as the contest progresses, and, in any event, it means for you divided opposition.

The majority of the candidates so far are confining their activities to the sending in of coupons. This is well. It is perhaps wisest at the start to enlist the support of your friends in the collection and saving of coupons for you. Then, later, when your friend becomes interested in the campaign, approach him for a subscription.

But the real workers will form their own plans and a little experience will show the best way to achieve success.

Following is the result of polling to date—
