TO MY CUSTOMERS

And Those Who Should Be

I wish to announce that all Cash Customers will now share in My Profits by receiving Valuable Premiums Free. My plan is to greatly increase the amount of my CASH BUSINESS, and in order to do it, have decided to divide a portion of my profits with my customers. I have therefore adopted what is known as the

New CASH SALES Profit-Sharing Plan

This system is very simple indeed. Every Cash Customer spending a Dollar at my store will receive a Premium. The more dollars spent the larger the premium. There are no strings to it, no red tape to go through, no obligation whatever on your part. All you have to do, is to buy your goods from me and take home the premiums. You will receive a Profit-Sharing Card worth five cents or more with every dollar's worth of goods purchased, which is redeemable at any time in my PREMIUM DEPARTMENT.

Through this Profit-Sharing Plan I hope to greatly increase my business, and the greater the increase the greater the Profits I will be able to share with my customers.

You will also find that my Prices are the lowest obtainable with quality and service considered that can be purchased anywhere.

Drop into my store at any time and I will only be too pleased to explain further my PROFIT-SHARING PLAN and at the same time show you the beautiful Premiums I am giving away FREE.

Yours very truly,

The daily papers and official telegrams announce that Avery F. Bentley of this place is among the missing in France. It is hoped that more definite news may be obtained that is alive even if a prisoner.

Quite a number of soldier boys of the 122nd were in town on Friday and Saturday.

Mrs. Lewis Elms of Kentville was visiting her sister Mrs. Eaton on Saturday.

Come to the Canning Methodist Church next Sunday evening, 20th inst., and hear Private Lorne Higgs tell the marvellous tale of his capture by the Huns, his two years and a half experience in a Hun prison camp and his escape to Holland and Canada after a third attempt. His experience is unique in Canada and history will be thrilling. By courtesy of the Members of the 122nd Battalion, Aershot, the quartette of the Battalion will have charge of the musical service. Silver collection will be taken. Service 7.30. Others at the doors and a cordial welcome.

KINGSORT

Mr. Robert Woodburne with his wife and daughter have returned to Kingsport from the United States and will reside here. Mr. Walter Woodburne will work on the farm which he obtained from Mr. D. Ellis in exchange for the store business and Mr. Robert Woodburne will occupy the residence here.

On Friday about thirteen cars of soldiers from the 122nd Battalion at Aldershot came to Kingsport on an excursion and spent an enjoyable day here as far as the cold weather would permit. They had their Battalion Band and the music was much appreciated here.

On Saturday about 100 more men from the 122nd Battalion spent the day here returning at 5.30 o'clock. While here an incident somewhat marred the name which the Battalion has established. Two soldiers got in an altercation and one, an American, drew his knife and stabbed his comrade in the arm.

The fishing started in fairly well the first of last week with herring, gasperau and codfish. The storm of the week however destroyed nearly all the nets here, and new ones had to be put in.
