Brockville's Greatest Store

New Scotch Linoleums

Real Scotch Linoleum direct from the mills. Scores of handsome new patterns at prices made possible by importing direct from the makers.

Scotch Linoleum is the greatest weaver there is. Nothing to equal it for durability and service. It's so clean and sanitary—dust or dirt cannot penetrate its surface; an occasional washing is all that is necessary.

It costs more than oil cloth, but it wears for years longer; in fact it is the most economical and satisfactory floor covering made. We have it in all widths.

INLAIN LINOLEUMS—The pattern goes right through to the back and never wears off in tile and floral patterns, per square yard \$1.50 and \$1.10

CORK CARPETS—Springs to the step and immensely durable, in handsome Brown, Terra Cotta, Brown or Green shades, per square yard, \$1.50, \$1.00 and90

PRINTED LINOLEUMS—About forty different designs; all choice new patterns, in the various widths, per square yard, 75c, 62½c, 50c and45

WIDE LINOLEUMS—4 yards wide, very fine to cover a room without matching a seam, per square yard, 90c, 75c, 60c and50

OIL CLOTHS—We have a real good line of oil cloths in the new patterns, per square yard22½
