HARVESTING THE WHEAT CROP OF THE GREAT WEST

Latest advices from Winnipeg state
that the wheat crop of Manitoba and
the Canadian Northwest will exceed all
previous seasons. A great number of
eastern laborers will be required to as-
sist at harvesting, and farm laborers'
excursions will be run from all points.

FARM LABORERS' EXCURSIONS.
Sept. 6th, 1905—From all stations in
Ontario, Sault Ste. Marie, Sudbury,
Maberley and East, and stations east of
Kingston.

Tickets will be sold to female as well
as to male laborers, but will not be sold
at half rate to children.

At Winnipeg the special trains will
be met by farmers and by representa-
tives of the Manitoba Government.
Laborers may engage with them at
Winnipeg, and ticket agent will issue
free ticket from Winnipeg to C. P. R.
station where he has engaged to work.

After a laborer has worked for at
least thirty days, and has certificate
signed by the farmer with whom he has
worked, such certificate will be honored
prior to Nov. 30th for a ticket to re-
turn to starting point by same route as
on going journey, on payment of \$18.00.

150 lbs. baggage, wearing apparel
only, will be allowed on each ticket,
and each piece of baggage checked
should bear the name of the owner, and
show their home address. It will be
readily understood that some difficulty
may be experienced in handling some
thousands of pieces of baggage at one
station. Therefore, when possible,
baggage should be carried in hand grips,
which passengers should take in the
cars with them.

Further information will be supplied
on application to any Canadian Pacific
Ry. ticket agent. Intending excu-
sionists should notify nearest ticket
agent at once. See advertisement in
another column.

A GALA DAY, AUGUST 8TH

A most delightful time was spent at
the home of Mr. and Mrs. P. F. Yates,
Hard Island, in honor of their little
daughter Hazel, it being the fifth
anniversary of her little life. Every-
thing was up to date and Mr. and
Mrs. Yates deserve great praise, not
only for the sumptuous repast, but also
for the number of ways the guests
were amused, there being provided
swings, hammocks, as well as a gram-
ophone.

There were many friends present,
including besides neighbors:—R. J.
Sturgeon, wife and children, Fairfield;
Mrs. Morris, Warton; Miss Claudia
Wilson, Oak Leaf; G. A. Gilroy and
family, Glen Buell; The Misses
Jennie and Georgie Robson; G. A.
McClary, wife and son, Athens; Mrs.
Mahon and Miss Isabell Yates,
Sheldon's Corners.

The little maiden received many
beautiful and useful presents. All
present pronounced the day a marked
success and all with one accord at part-
ing wished the little fairy maiden
might have many, many happy birth-
days.—Com.

AN ENCHANTED LAKELAND

The "Highlands of Ontario," con-
sidered the most beautiful summer re-
sort district in America, is annually
attracting more attention as the ideal
playground for the tourist and holiday
seeker. During the last week in June
this season, the members of the Build-
ers' Exchange of Cleveland, Ohio, to
the number of two hundred, held their
annual outing in the Muskoka Lakes
district, one of the principal regions of
this vast territory, making their head
quarters at the "Royal Muskoka" hotel.
The Cleveland Plain Dealer of June 30
publishes an article by their special
staff correspondent, in which appears
the following: "The Royal Muskoka
hotel is one of the largest and best
equipped summer hotels in Canada,
opened a week earlier than usual to
entertain the builders. The two days
here have been most thoroughly enjoy-
ed by the members of the party, and
the picturesque and beautiful scenery
along the railroad and lake route, in
the centre of the 'Highland,' amazed
and delighted the Clevelanders."

Take a free trip—a little mental
journey through Muskoka, by asking
for that handsome Muskoka publication
issued by the Grand Trunk Railway
System. It contains a large map, nine-
teen views and a fund of information.

Passenger Agent, Bonaventure Station,
Montreal.

THAT DEAR OLD VICTORY

We notice in the old country that
in some of the widely read Canadian
Press it has got abroad that the dear
old "Victory" of Nelson fame, has been
entirely broken up. Fortunately this
is not the case, and King Edward has
preserved this historic and famous ship
as the one floating monument of that
great era of the sea, which ended in
Trafalgar. After the accident which
befel H.M.S. "Victory" the damaged
parts were taken from her, and it is
this material—oak and copper—which
was given by the Lords of the Admiralty
to the British and Foreign Sailors'
Society.

The Canadian boys and girls, old and
young, can secure a Nelson Centenary
Memento, actually containing copper
from the "Victory", suitably inscribed
Medal Brooch, which will be a lasting
and priceless Souvenir.

One dollar and upwards given or col-
lected for the Nelson Centenary Me-
morial Fund, which is to help seamen
in all parts of the world will secure
one of these.

King Edward has sent a kindly mes-
sage to the Society, and we enclose for
your readers important announcements.
Schools, Clubs, Societies, Institutions,
Families, Towns, &c., contributing speci-
al sums will receive, in addition to in-
dividual mementoes, larger souvenirs. £5
5s, for instance, secures a "Victory"
Shield, which is to be held in perpetuity
by the school awarded on the Centen-
ary day, to a boy or girl—to be held
for one year—for the best paper on
"England's indebtedness to her Ships
and Sailors," or, "The British Empire
and the Sailors," or such other subject
or deed determined upon by the school.
Cities contributing say £50 may secure
a Nelson Bust of copper from the
hero's flagship, or a "Victory" Oak
Block. It is remarkable that the French
fleet should be visiting the shores of old
England this Centenary year, but the
celebrations will be carried on in the
same spirit of the entente cordiale.

Contributions should be sent not to
the Admiralty, but to yours faithfully
Edward W Matthews, Secretary, Pass-
more Edwards Sailors' Palace, Lime-
house, London, E.

Souvenir will be distributed in the
order of receipts coming in

THE NEW SCHOOL

The public school building, which
was destroyed by fire last winter, is
being replaced by a solid brick struc-
ture. Mr. Alex. Eaton, the contrac-
tor for the brick work, is, with the
assistance of his brother John and Mr.
Moulton, doing a creditable job. We
have every reason to believe that Mr.
Speigel of Westport will do the same
with his contract for the woodwork—
what he has done augurs well in that
direction. The walls are almost com-
pleted.

The new date stone reads as fol-
lows:—

Tired Mothers

It's hard work to take care of chil-
ren and to cook, sweep, wash, sew and
mend besides.
It makes a shop of the home—a
shop, too, where sixteen hours make a
day and yet there is much working
overtime.
Hood's Sarsaparilla helps tired
mothers in many ways—it refreshes
the blood, improves the appetite, and
assures restful sleep.
