Just Common Sense

If a member of your family died, would you print the resolutions on a bill board?

If your wife entertained, would you send an account of it to a theatre program man?

If you were going to enlarge your business, would you advertise it in a hotel register?

If you were going to have a wedding in your family would you get out a hand bill?

You would send such items to a newspaper, wouldn't you?

Then why don't you put your advertisements in a newspaper?

Ever man who uses the bill board is adding to nature faking.

Every dollar spent in a theatre program, in a register, in a directory, or in a hand bill, is a legitimate dollar taken away from the newspapers of your town.

The newspaper builds your town; why not help build the newspapers? There is no better advertisement in the world for a town than a good newspaper.

A newspaper is a barometer of the town's industry. Show us a good newspaper, full of advertising and we will show you a good town full of live merchants.

Billboards are an eyesore; handbills are a nuisance; theatre programs are worthless; hotel registers from an advertising standpoint are ridiculous.

Newspapers are town builders, town advertisers, fortune makers, news disseminators, sermon-delivers, prosperity-forecasters—they are a necessity, not a luxury, they must be maintained without them we would retrograde to the medieval days.

Don't patronize them from a charitable standpoint—patronize them because they deliver the goods—that is if they are the right kind.

Cut out the foolishness and work for the upbuilding of your town and state* by upbuilding your newspapers—Minneapolis Star.
