## MORE MEN THAN WOMEN HAVE APPENDICITIS

Medical reports shown men are  
more subject to appendicitis although  
many sudden cases occur among wom-  
en. It can be guarded against by pre-  
venting intestinal infection. The in-  
testinal antiseptic, Adler-Lka, acts on  
BOTH upper and lower bowel, remov-  
ing all foul, decayed matter which  
might cause infection. It brings out  
matter you never thought was in your  
system and which may have been  
poisoning you for months. Adler-Lka  
is EXCELLENT for gas on the stom-
