

"IT GAVE ME NEW LEASE ON LIFE"

That is What Mrs. Robertson Says After Tanlac Freed Her of Nervous Dyspepsia

"I feel like I have a new lease on life since taking Tanlac, and I'll never stop praising it for what it has done for me," recently said Mrs. C. A. Robertson of 189 Agricola street, Halifax, N. S.

"I had no appetite whatever," said Mrs. Robertson, "and I was in such a nervous run down condition that I could hardly drag myself about the house. My digestion was so poor that little I did manage to eat caused me to suffer with indigestion and bloating and simply made me feel miserable. I had violent headaches and such dizzy spells that at times I just had to sit down or catch hold of something to keep from falling. I was so nervous that the least little noise would upset me, and I couldn't even stand the children playing about the house. I was so restless I could hardly sleep and many nights heard the clock strike every hour, and became so frantic that I had to just get up and walk the floor. Although I tried everything I heard of, nothing did me any good and my condition was becoming almost unbearable.

"Finally I heard so much about Tanlac that I decided to give it a trial, and the way the medicine fixed me up was nothing less than wonderful. I have only taken four bottles now and am enjoying as good health as I ever did in my life. My appetite is just splendid and I can eat anything and everything without being bothered with indigestion. I never have headaches or dizzy spells, my nerves are so calm I can stand any amount of noise and at nights I sleep like a child. Tanlac has built me up until I have gained twelve pounds in weight and now weigh a hundred and eighteen pounds. I believe Tanlac is the best medicine ever made for troubles like I had, and I'm glad of a chance to recommend it."

Tanlac is sold in Hartland by Estey & Curtis Company, and E. L. Field, Bloomfield, and by the leading druggists in every town.

POTATOES IN AROOSTOOK

About \$2 is the reigning price for potatoes in the Fort Fairfield markets nowadays, about the same figures prevailing for Cobblers as for Mountains. Hardly any are coming in, and the buyers don't want any. Under such circumstances it is no wonder that the potato business has a death pall upon it right now. How times have changed! Quite a number of years ago a two-dollar market was the market that everybody prayed for, quite often getting one or much less than a dollar. If a man could get \$2 a barrel, he could make money hand over fist; but now times have changed, wages have changed, fertilizer has changed, and everything else has changed, so that now \$2 amounts to only a reasonable fraction of the cost of a barrel of potatoes in Aroostook.—Fort Fairfield Review.
