BY HIS EXCELLENCY, SIR ALEXANDER BANNERMAN, KNIGHT, Lieutenant Governor, and Commander in Chief in and over Her Majesty's Island of Prince Edward, and the Territories thereunto belonging, Chancellor, Vice Admiral, and Ordinary of the same, &c. &c. &c.

A PROCLAMATION. WHEREAS it has been intimated to me, through the British Minister at Washington, by communication addressed to His Excellency from the State and Treasury Department of the United States—that when assurance is given that American Vessels are admitted into all the Ports of Prince Edward Island, on the same footing as British Vessels, the Treasury Department of the United States will cheerfully and promptly issue the needful instructions to grant similar privileges to vessels from that Colony in all the Ports of the United States, agreeably to the authority granted by Congress in the law of September 26, 1850. I have, therefore, with the advice and consent of the Executive Council, thought fit to declare, and I do hereby declare, that American Vessels now are, and shall continue to be, admitted in all the Ports of Prince Edward Island, on the same footing as British Vessels. When the Act of Congress, of the date of September 26, 1850, together with the United States Treasury Circular, of the 15th June, 1851, are received, they will be published for the information of all concerned. By Command, JAMES WARBURTON, Col. Sec'y.

GOD SAVE THE QUEEN!!

TO THE EDITOR OF THE GAZETTE. Sir, I have to request that you will give insertion to the following Certificate in your next No., as a proof that I have not been a "tool" of a Mr. Mac" of Vernon River district, as "Abercrombie Wilcock" has indignantly attempted to show among other glaring falsehoods published by him in the Gazette of the 25th inst., for the purpose, if possible, of justifying his own and Forbes' conduct for the last 14 months; that they have succeeded in rendering Piquid Road School subject to their own wishes and interests. If Mr. Forbes had not frequently been obliged to solicit the services of a Mr. "Mac" of Vernon River District, to write on many occasions, different documents for himself, he would not be so prepared to judge, and so ready to dictate to his legal adviser Wilcock, that I must labour under the same necessity. I remain Sir, Your humble servt., TOBIAS PLEADWELL, Piquid Road, 28th July, 1851.

We, the undersigned do hereby certify, that for several months past we have withdrawn our children from Piquid Road School, taught by Abercrombie Wilcock; owing chiefly to the misconduct practiced in the School, for want of that necessary authority and control on the part of the Teacher, in the discharge of his duty. That some of the undersigned have not, for the last 14 months, that Mr. Wilcock has been Teacher of the above School, sent their children, nor consented to support him, though engaged principally by Mr. Forbes, respondent to their wishes. That the document respecting the said School, which appeared in the Gazette of the 15th inst., and signed "Tobias Pleadwell," contained facts, and not "fabrications" as styled by Wilcock in the Gazette of the 25th inst., in which he makes a vain, futile, and an impertinent attempt to justify his own and Mr. Forbes' conduct, relative to the Piquid Road School. JAMES KILLY, PATK CARROLL, Trusteers. CONRAD VICKERSON, DAVID O'KEEFE, MICHAEL POOR, MURDOCH M'NEILL, JOHN RHE, JOHN WEATHERS.

THIS Institution has been opened and in successful operation upwards of eight years. The manner in which it was founded and established, the principles enunciated at its opening as those upon which it should be conducted, and the arrangements in both were made for carrying out its designs in all its departments, in a bold and family, were such as to secure for it, from its very commencement, a very high place in the public estimation. And the Committee of Management and Board of Trustees, upon whom the direction of its affairs has devolved, have been encouraged and stimulated by its prosperity to continued efforts to render it ever increasingly efficient. Every year in its history has been marked by important additions to its Educational facilities, and by more or less extensive general improvements throughout the establishment. The attention of young men seeking an education, and of Parents and Guardians of Youth, is, therefore, confidently invited to it as an Institution, at least, equal in every respect, for the purposes for which it was founded, to any in British America. The next Term will begin on Thursday, the 7th August, and continuing sixteen weeks, and on Wednesday, the 17th December. EXPENSES.—For Board, Washing, Fuel, Lights, &c. and Tuition in Primary Department, 25s. 100s. New Brunswick currency per annum. In the higher Departments, from £25 to £30 per annum. The Principal will give any further information which may be desired, to any person who will apply to him, (if by letter, post paid.) Mount Allison, July, 1851.
