LUMBER SHIPMENTS FROM MIRAMICHI.

ALTHOUGH it was predicted when lumber trade as well as everything else, the shipments for the season just closed, have surpassed those of the palmiest days of Grit Government, To give our readers a faint idea of how the N. P. operates against the lumber trade on the Miramichi, we give the shipments for the three past years:-

104,729,702 3,025,071 114.618.000 2784.500 154.694,312 4.651.703 3,225

Never, for the sake of political deduction would we print the trade of one year more than another, but that the land, and heaven showered down his way. her blessings on this Dominion. And yet 1878 the very last year of the Liberal Lustrum, the people down lightens us and our readers today

exodus that Opposition newspapers town today. Bear in mind, no part of the are unscrapulous enough to say be-
