REMINISCENCES OF DAYS OF REBELL

Major Swinford, of Winnipeg, a minent Old-Timer of the Wes calls the Days of the Wolsele pedition and Riel Rebellion.

The exigencies of his respon position as general agent for the thern Pacific Railway brought city this week one of the well-l old-timers of the west, who has past forty years rounded out a n

career in the development of the Major Swinford, of Winnipeg addressed the Canadian Club he Monday, passed through the again today on his return to peg. His address, to which he self referred as simply dry fact: sume of the development of more travelling here from the days of trains, dog trains and flotilla boats down through the day the prairie stillness was broke the creaking of the Red River urious sleeping cars and Mogul motives. To the Major's heare was a thoroughly interesting

though it can be realized that to bare recital. This is necessarily so, for in his through the various periods of w growth, and he knows what col fascination there was in the ac the west by the patriotic impuldesire for adventure that pro the young Canadians of Wolsel peditions. For seventeen year that rising he was managing dir of the transportation company steamers formed the strongest li tween Winnipeg and the string of ing posts that dotted the west. ing the rebellion of 1885, he was commissariat

Since then, in the fulfilment of present duties, Major Swinford crossed and recrossed the many times.

His life has been one of undou interest and variety-all that the had to offer, and this was consi able. Perhaps this is why there still about the Major's erect, s form the atmosphere of those vactive years. There is, more about his reminiscences a pleas expansion of countenance, a sug tion of deep inward enjoyment makes his sketchy glimpses of past somewhat tantalizing. pipe, an open fire and a group of old-time companions spinning var the Major would have some splen were unavoidably absent in an

nary interview in the reception Of Saxon Descent. In early youth the Major of with his parents from the Isle Thanet, the south-east corner of land, where for conturies the S fords have had their seat, the hear the house occupying the ancient i orial holdings attached to Min Abbey. The Canadian branch of Swinford family settled in Wel ton County, Ontario, and it was l that the young man's intensely traditions were stirred by news the rising of the half-breeds and-ot settled along the Red-River. He then a lieutenant and adjutant in county militia, and he immedia volunteered to make one of the b Wolseley was to lead to the west. He enlisted as a private and promoted within 48 hours and given command of a battalion. Questic

as to the number and quality of men in this expedition, the Ma said with a smile: "There were 2,000 of us. and-I not think I am prejudiced in thi there has never been a body of m under arms in Canada who were h ter physically equipped. Numbers fine drilled men volunteered, but o one out of four was accepted. was a good thing they were so we equipped physically, for they had undergo real hardships and work laborious that no one who has been through it can have any conce tion of it. It took us four months go from Toronto to Winnipeg, and thard end of the road, of course w

from Fort William to Winnipeg. "This is the old "Grande portag of the fur traders and voyageurs, an although it is not more than 450 milin a direct route, it became twice the distance proceeding as we did. Son followed the Dawson road—and I a sure you it was not at all in the cond tion it had been represented to We had to cut and lay miles of c duroy road before we could get or transports across. Others went b the Kaministiquia route, and it was no child's play either. We followe in places the river courses, and seems to me our route twisted like The portages were ve neavy, for we had not a single anim with the expedition, and we had portage all our munition, our canno and the rest. Our food consisted hard tack, barrelled pork and tea. Whad some beans for a short time the beginning of the trip, but they e damaged; and what was I was thrown away. cidedly healthy lot, or we could have come out of that trip so well.

Settled in Country We did not even have the pleasur of fighting at the end of the trip, for the rebels decamped as soon as the heard that Wolseley and his me were approaching. They even Garry.

As the rising was at an end v disbanded, with three choices give us. We could be brought back t Eastern Canada; we might enlist in more permanent body of soldiery-

had not dry clothing on me, night

ing formed for the west, or we settle in the country. Most of elected to carve out our own fortune "Can, you recall some of the me of the expedition who settled at For
