THE IMPERIAL OIL CO., LTD.

Gentlemen.—With reference to POLARINE OIL, we desire to say that we operated six Winton Six-Cylinder Cars on the Cariboo Road in 1912, and these Cars travelled 82,430 miles during the season.

We used POLARINE exclusively and found it superior to any other oil which we had previously tested, and while the cars were operated under all sorts of climatic conditions, we were so well pleased with the results obtainable from the use of POLARINE OIL that we propose to use nothing else on the eight Winton Cars which we will operate this year.

Yours very truly,

BRITISH COLUMBIA EXPRESS COMPANY,

"Stella Maris."

Sentiment, one of the characters says, is everything in life. Without it no heroic action would ever be performed, no self-sacrifice shown; everything would be just miserable. Mr. Locke can certainly not be accused of losing sight of this most pleasing human attribute. Stella Maris, with her delicate thoughts and fancies, is thoroughly charming. Risca and Herrold are both quite captivating. The story as a whole is well worthy to rank with Locke's best and most successful novels. Special Colonial Editions—paper, 50c; cloth, 75c.

Other novels by this same writer are:—

Artistic Pujol 50c.
Beloved Vagabond 25c.
Simon the Jester 50c.
Marcus Ordeyne 30c.
