The New Wall and Ceiling Material  
**BEAVER BOARD**

It takes the place of lath, plaster and wallpaper in every type of building, new or remodelled.

It builds a new room inside the old one; turns cellar or attic into comfortable rooms in an incredibly short time; makes old outbuildings serviceable, etc.

It costs less than lath and plaster, looks better and lasts longer.

Made entirely of selected woods, reduced to fibrous form and pressed into panels of many convenient sizes, with beautiful pebbled surface.

Adapted to durable and handsome decoration in tinting, stencil work, hand-painting, etc.

Quickly and easily put up—full instructions in every bundle.
